MEETINGS

Special meetings may be called by the Chairperson, Principal, or his/her representative in the case of an emergency or by a majority vote of the SSC members.

At Addams school, the SSC will meet a minimum of two times per year during an overlapping time with the ELAC to assure the requirement to consult on the needs of EL students and one time per year with the Title I parents for the same purpose. At Addams we meet in the School Library on the third Thursday of each month at 5:00p.m.. unless otherwise stipulated.

DECISIONMAKING

Only **SSE** members as elected representatives will use the following process in their decision making:

- Determine in each fall whether they themselves will write the site plan or delegate it to a Leadership Team composed of teacher, other staff, parent and student representatives. If they decide to use a Leadership Team they will develop, with the guidance of the Principal, a way to assure they are fully informed in timely and comprehensive ways for them to discharge their duty to develop the school site plan. Delegation to the Leadership Team in no way relieves the **SSE** of making the final recommendation.
- Develop and determine in the fall, how each representative group (parents, teachers, students, other staff) will assess the consensus of the people who elected them on matters of significant impact to the school community. The Principal shall assist representatives to develop and implement their plan to assess their constituency. The plan shall become part of the public record in the school minutes and other community groups will be notified.
-
- The **SSE** shall provide for an open discussion time for public comments regularly. The members of the public shall submit their name, address and concern to the SSC for the written record and abide by a 3 minute time limit per speaker within the time allocated for public input. All members of the public will have equal opportunity to raise issues related to the development of the site plan and conduct themselves in a respectful manner conducive to the work of the **SSE**. Members of the public may also submit concerns related to the development of the site plan writing to the **SSE**.
- The SSC shall develop with the guidance of the Principal, a method early in the fall to

communicate regularly and in a timely manner with the parents of the ELAC and Title I students to gather their input for the school site plan.

- No items may be voted on by the SSC in any meetings unless noticed in the written agenda 72 hours in advance of the meeting. In the event of an emergency arising after the posting of the SSE agenda, the SSE may, after determining an emergency exists, with unanimous vote of the quorum present, vote on an item that needs immediate attention and does not constitute a violation of existing law or policy.
- After timely consideration of the assessed needs of all the students at the school and communicating the results of that needs assessment to the public, the SSC members shall vote for the site plan in accordance with their constituency.
- All decisions of the SSC shall be made only after an affirmative vote of a majority of its members in attendance, provided a quorum is in attendance.
- In the event of a split vote on the site plan, the SSE with the assistance of the Principal and district personnel, shall make every attempt to develop a community process to clarify, modify and unify the members of the SSC to recommend a site plan that the school community can live with.
- In the event of conflict that appears unresolvable through regular meeting management techniques, the SSC with the guidance of the Principal shall request assistance in obtaining a neutral facilitator from the appropriate Assistant Superintendent at the earliest possible time to prevent prolonged or unnecessary conflict.

COMMITTEES

The SSC may decide to establish standing or special committees as it may desire. No special or standing committee may exercise the authority of the SSE. The SSE may also delegate its responsibility to develop the site plan to a representative Leadership Team. In this instance, the SSE shall annually discuss the composition of the team, how it will keep all the members of the SSE fully informed, how often they will report to the SSE and how they will take direction from the SSC to fully represent the diverse interests of the school community. The discussion shall be reflected in the minutes of the meeting as a matter of public record.
