District Goals	
<p>The purpose of the School Plan for Student Achievement is to provide a comprehensive document, including details of site planned actions and expenditures as they relate to the goals of Fresno Unified. The plan supports student outcomes and overall performance in connection with the District’s Local Control and Accountability Plan and in alignment with the District Goals supporting the expectations that all goals shall have objectives that are measurable, actionable and develop monitoring metrics to assess progress that guides program evaluation and resource allocation.</p>	
Student Goal	Improve academic performance at challenging levels
Student Goal	Expand student-centered and real-world learning experiences
Student Goal	Increase student engagement in their school and community
Staff Goal	Increase recruitment and retention of staff reflecting the diversity of our community
Family Goal	Increase inclusive opportunities for families to engage in their students’ education

Centralized Services - No Centralized Services are utilized at this time.

Consolidated Program Assurances

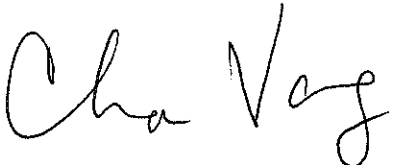

<p>The School Site Council (SSC) develops and revises the School Plan for Student Achievement (SPSA) and the corresponding budget to be presented for approval to the Board of Education of the Fresno Unified School District annually.</p>
<p>The SSC, and all advisory committees, are formed in accordance with procedures established by federal or state law and regulations, and with membership parity as mandated. The advisory committees provide input on the SPSA.</p>
<p>The principal is an active member of the SSC and participates in regularly scheduled meetings throughout the school year. Classroom teachers, school staff, parents and students (secondary level only) are also participating members.</p>
<p>The school’s SSC, staff and parents participate in a needs assessment to help guide SPSA development.</p>
<p>The members of the SSC, the school’s English Learners’ Advisory Committee (ELAC) and members of other advisory school committees receive information and data detailing the needs of students during the SPSA development process and the comprehensive needs assessment. Information for all significant subgroups includes the economically disadvantaged students, students with disabilities, gifted and talented students, English Learners, and foster youth.</p>
<p>School sites schedule SSC and ELAC meetings yearly to elect officers, designate representation for district meetings (DAC and DELAC), and provide input for the SPSA. ELAC may vote to consolidate with the SSC every two years.</p>
<p>Opportunities for parents to participate in the development of the SPSA are provided by all schools, as described in the Elementary and Secondary Education Act (federal law), California Education Code, and the policies and regulations of the Fresno Unified School District Board of Education. The SPSA includes strategies to improve parent involvement and examples of the Parent and Family Engagement Policy and the Parent-School Compact.</p>
<p>Strategies to improve student achievement, meet measurable objectives, provide high quality professional development, and support struggling students through the use scientifically-based research are included in the SPSA. The SPSA reforms and supplemental funding provide opportunities for all students to meet state standards by extending learning time, supporting grade-level and school-level student transitions and providing social-emotional supports for students.</p>
<p>The School Plan for Student Achievement is reviewed and revised during the first semester of each school year, and re-evaluated and re-written during the second semester of each school year for annual approval by the Board of Education.</p>

Aynesworth Elementary 2021-2022 - SPSA

Goal 1 - STUDENTS: Improve academic performance at challenging levels.

Needs Assessment

School Quality Review

School Level Dashboard

Goal 1 Metrics	Current Target	Actual	As Of	Target
I-Ready ELA D2 On Level		32.47 %	2020-2021	39.47 %
I-Ready Math D2 On Level		24.8 %	2020-2021	31.8 %

Step 1: After selecting metrics, analyze the current 'California School Dashboard', relevant site data, current SPSA, and current budget to conduct a review and analysis and answer the questions below.

1 Review Current SPSA and Budget. Describe the overall implementation of each action and explain the effectiveness in achieving the expected outcomes for the metrics in this goal. Include actions that pertain to students, staff, or families as it relates to this goal and the aligned metrics.

I-Ready ELA D2 On Level

Action:

Aynesworth implements a balanced literacy program based on our Guaranteed Viable Curriculum in TK-6 focusing on identifying student gaps and strengths of the ELA State Standards. Teachers develop rigorous assessments for monitoring student progress and providing feedback to impact both student learning and teacher planning for instruction.

Implementation:

- TK-2nd grade PLC teams create a CFAs in ELA utilizing Wonders assessments and Regional assessments. 3rd-6th grade PLC teams give the IABs to get their students for SBAC and Regional assessments.
- CFAs, IABs and Regional assessment results are analyzed and misconceptions are identified for targeted reteaching of instruction.
- Engage students in iReady lessons for additional practices to improve still mastery in Phonics, Phonological Awareness, High Frequency Words, Vocabulary, and Comprehension of Literature and Informational Texts.

I-Ready Math D2 On Level

2 Identify resource inequities or other key factors that contributed to the disproportionality of low-performing student groups as it relates to this goal.

I-Ready ELA D2 On Level

English Language Students Resignation

2018-19=20.2%

2019-20=5.9%

2020-21=1.7%

Factors that may have caused these groups to be disproportionate or low performing:

- Absence of English Language Instruction for Designated ELD time
- ELLs need more opportunities to engage in reading, writing, and talking about high level texts.
- Chronic Absenteeism of students (25.9%) overall impact learning as students miss out on foundational skills.

I-Ready Math D2 On Level

Factors that may have caused these groups to be disproportionate or low performing:

- Students need additional opportunities to practice with math fluency and develop conceptual knowledge of math concepts.
- Chronic Absenteeism of students (25.9%) overall impact learning as students miss out on foundational skills.

Action:

Aynesworth implements mathematical supports for all students aligned to the Common Core State Standards with an emphasis to the 5Es (Engage, Explore, Explain, Elaborate, and Evaluate) in Go Math our Guaranteed Viable Curriculum in K-6.

Teachers provide math instruction delivered through a Math Lesson Design that engages students in high rigor, conceptual understanding, procedural skill, application, coherence and fluency.

Implementation:

- PLC teams create CFAs/IABs/FIABs in mathematics utilizing Go Math assessments and SBAC released items.
- CFA results are analyzed and misconceptions are identified for targeted reteaching of instruction.
- Engage students in iReady lessons for additional practice to improve skill mastery in Number Operations, Algebra and Algebraic Thinking, Measurement and Data and Geometry.

Step 2: For the current year, briefly describe any major differences between the intended and actual implementation of actions and budget expenditures to meet this goal.

- Other Professional Learnings both onsite and offsite for teachers and administrators to support teacher instruction.
- Schedule District coaching for Math and ELA to support instruction in the classroom.
- Intervention Teacher will continue to support students with Tier III interventions in reading.

Step 3: As a result of the analysis from Steps 1 and 2, describe any changes that will be made (next school year) in this goal, annual metrics, and actions to achieve this goal. Identify where those changes can be found in the upcoming 2021-2022 SPSA.

Aynesworth will hire an additional intervention teacher to support more students throughout the instructional day via pull out.

Step 4: Stakeholder Involvement. Share the data and analysis with the School Site Council (SSC), English Learner Advisory Committee (ELAC) and school staff, as required. Record feedback and suggestions from each group below.

1 SSC:

The following information was shared with SSC

- Ongoing communication between the classroom teacher and SSC to keep parents apprised of current levels and student's progress.
- Parents will be notified when their children are receiving intervention services Parents will be continually engaged in

2 ELAC:

The following information was shared with ELAC

- Ongoing communication between the classroom teacher and SSC to keep parents apprised of current levels and student's progress.
- Parents will be notified when their children are receiving intervention services Parents will be continually engaged in

3 Staff:

Teacher/Staff discussed the following information

- Each teacher will specifically review each student's reading level, goals, and scores at the fall parent conference.
- Ongoing communication between the classroom teacher and parents to keep parents apprised of current levels and student's progress.

student progress through progress reports quarterly, information nights such as Back to School Night, parent/teacher conferences, and Open House.

- Parents will have opportunities to provide input through School Site Council, site and District ELAC meetings, Coffee Chats, and Parent University classes.
- Refreshments for meetings and babysitting will be provided. Parent newsletters will be sent monthly in English and Spanish.
- Home School Liaisons and Health Aide are an additional communication resource for parents

Action 1

Title: English Language Arts and Intervention

Action Details:

Aynesworth Elementary students will engage in a rigorous, balanced literacy program which includes: ELA Response to Intervention model, tiered levels of support (tiers 1,2,3), English Language Development, and a core academic program aligned to grade level Common Core State Standards. Instructional practices will align with FUSD Instructional Practice Guide/Literacy to include students engaged in grade level state standards based challenging content with aligned assessments in order to reduce the number of students reading below grade level as evidenced by multiple reading measures (CAASPP/iReady/KAIG/BAS/Illuminate/CFAs/CSAs/IABs/Fluency assessments).

Aynesworth will implement an intervention plan, by grade level PLC teams, utilizing Certificated Tutors, California Teaching Fellows, Paraprofessionals and/or TSA, for a minimum of 45 minutes daily in grades K-6. The teacher will provide small intervention lessons which will be determined through the PLC work of establishing essential standards to be taught and assessed regularly, resulting in the formation of intervention groups based on student needs. Teachers in grades K-3 will be supported by push-in Teaching Fellows as teachers provide strategic reading instruction (to include strategies from Cullinan training). California Teaching Fellows will assist K-3 teachers with foundational skill building activities and supplemental intervention for students needing extra support (ELs, struggling readers, SPED, Foster Youth, and African American sub groups). The Certificated Tutor will provide reading intervention and support for students in grades 4-6 during small group differentiated learning time (intervention block). Teachers in grades 4-6 will use student assessment data to identify EL, struggling readers, SPED, Foster Youth, and African American students for instruction at Tiers 1,2,3. During K-6 intervention block, students will receive small group differentiated learning time designed to support the needs of students not meeting grade level standards in reading or students meeting standards and needing enrichment lessons. Student need will be determined by Spring and Fall 2021 through analysis of iReady, KAIG, BAS, BPST, DIBELS assessments as well as teacher formative assessments (CFAs/CSAs/IABs). Teacher sub release time, materials, technology including computer programs such as AR, and supplies will be provided to support instruction and student learning in ELA.

Monthly, Quarterly, and on-going

Describe Direct Instructional Services to students, including materials and supplies required (curriculum and instruction):

- Students scoring below grade level in ELA will participate in whole school RTI (intervention) block focused on gaps in literacy and grade level standards. These interventions will be intentionally planned to meet the assessed needs of each group by the certificated staff. Materials and personnel will include, but are not limited to: Certificated Tutor(s), Teaching Fellows, Implementation of GVC, Implementation of Personalized Learning Initiative (PLI), computers/technology, district and site instructional licenses, leveled readers, Scholastic Magazines, graphics services, paper, pencils, classroom supplies, and substitute teachers to release teachers for observations, ELA/ELD planning, and PLI professional learning. ELPAC assessors will provide additional assessment support.
- Implementation of the District Adopted Language Arts Curriculum (GVC).
- Close Reading Strategies and all tenets of the IPG
- Guided Reading and small group instruction aligned to tenets of the IPG
- Students in grades K-3, scoring below or significantly below established benchmarks, will be provided with targeted reading interventions. Interventions will be provided by the classroom teacher, through RTI deployment, and Teaching Fellows (at tiers 1,2,3)
- Students in grades 4-6, scoring below or significantly below established benchmarks, will be provided with targeted reading interventions. Interventions will be provided by the classroom teacher, through RTI deployment, and the Certificated Tutor (at tiers 1,2,3)
- An after school tutorial center will be provided to selected students to provide support and assistance with homework. Supplemental contracts will be provided for classified and certified staff to assist student in the tutorial homework center.
- Students will receive additional support through software programs such as AR/iXL/Math Fluency, etc. Students will participate in AR incentivized reading.
- A supplemental writing resource such as, but not limited to, Writing by Design will be provided to support the ELA and writing program in Wonders in grades K-6.

Specify enhanced services for EL students:

- Integrated and designated ELD instruction in all subject areas and driven by the ELA/ELD Framework.
- PLI implementation will provide individualized learning for EL students
- An after school tutoring center will be provided to select EL, Foster, and Economically Disadvantaged students to provide support and assistance with homework.
- EL students will be identified by PLC teams and specific instructional strategies related to teaching EL students will be embedded into plans for both instruction and professional learning.
- Substitute teachers for ELD training/planning
- Materials and supplies and supplemental materials for EL students
- Teaching Fellows will work with EL students in small groups
- ELPAC Assessors

Specify enhanced services for low-performing student groups:

- Students scoring below grade level in ELA will be provided RTI focused on gaps in literacy and grade level standards. These interventions will be intentionally planned to meet the assessed needs of each group by the certificated staff. Materials will include, but are not limited to: Certificated Tutor(s), Teaching Fellows, Implementation of GVC, computers and technology/software programs, district and site licenses, leveled readers, Scholastic Magazine, graphics services, paper, pencils, classroom supplies, and substitute teachers to release teachers for observations and planning in ELA and ELD.

Action 2

Title: English Learner Progress

Action Details:

Aynesworth Elementary school will continue to implement intervention supports for teaching English Language learners. Professional Learning will be provided to teachers regarding ELD and Intervention for students who have been continuously enrolled for 5 or more years and have not re-designated or who have met the borderline criteria for re-designation. Students will engage in integrated ELD instruction as well as designated ELD instruction. Teachers will have planning days to plan lessons that include integrated ELD, designated ELD, academic language acquisition grounded in ELD/ELA standards, literacy skills, and writing development using EL data indicators to inform instruction. Students will receive additional intervention support through computer integrated software programs such as AR/iXL/Writing by Design. Home school liaison support, teacher sub release time, materials, technology, and supplies will be provided to support instruction and student learning.

Action 3

Title: Math Instruction and Intervention

Action Details:

Aynesworth Elementary will provide comprehensive, balanced mathematical instruction through opportunities related to mathematical understanding and procedural skill in order to support working toward greater focus and coherence. Teacher learning/support will be provided through development and refinement of high quality first instruction focused on the eight mathematical practices and making connections to content. Student learning/support will be based on whole group direct instruction, cooperative learning groups, and targeted small group support for identified student needs and Personalized Learning Initiative (PLI).

Aynesworth will implement an intervention plan, by grade level/PLC team, utilizing a Certificated Tutor, California Teaching Fellows, Paraprofessionals and/or TSA for a minimum of 45 minutes daily in grades K-6. The teacher will provide small group intervention lessons which will be determined through the PLC work of establishing essential standards to be taught and assessed regularly, resulting in the formation of intervention groups. This small group differentiated learning time is designed to support the needs of students not meeting grade level standards in math or students meeting standards and needing enrichment lessons. Student need will be determined by Spring and Fall 2021 data, using iReady and KAIG assessments as well as teacher formative assessments and performance tasks in Math (CSAs/IABs). Students will have access to additional math intervention support through computer integrated programs/software such as iXL/Math Fluency/Lexia etc. Teacher sub release time, materials, technology, and supplies will be provided to support instruction and student learning in math.

School Quality Review

School Level Dashboard

Goal 2 Metrics	Current Target	Actual	As Of	Target
Student-centered real world learning experience - Site Defined		0 %	2020-2021	85 %

Step 1: After selecting metrics, analyze the current 'California School Dashboard', relevant site data, current SPSA, and current budget to conduct a review and analysis and answer the questions below.

1 Review Current SPSA and Budget. Describe the overall implementation of each action and explain the effectiveness in achieving the expected outcomes for the metrics in this goal. Include actions that pertain to students, staff, or families as it relates to this goal and the aligned metrics.

Student-centered real world learning experience - Site Defined

Action

Aynesworth is proud of the work that we do that extends and enriches our student's curriculum beyond the classroom. We have an after school program to assist with tutoring after-school, music teachers who teach students to play instruments, and opportunities for all grade levels to attend field trips that enrich students learning experiences.

Implementation

Exposure to learning experiences- Kinder-2nd grade
Field trips and community workers speakers

Exposure to Enrichment-3rd grade
Bricks for Kids experiences and field trips opportunities.

Exposure to learning experiences-4th-5th grade
Field trips and community workers speakers

Exposure to learning experiences and Careers-6th grade
Field trips, Camp experience and speakers about careers opportunities.

All students are provided the opportunity to participate in music class, field trips, community speakers and after-school program.

2 Identify resource inequities or other key factors that contributed to the disproportionality of low-performing student groups as it relates to this goal.

Student-centered real world learning experience - Site Defined

After reviewing the data, there was no significant disproportionality for any significant subgroup. In rare occasions, students that did not attend were because the school did not receive a signed permission slip from a guardian.

Step 2: For the current year, briefly describe any major differences between the intended and actual implementation of actions and budget expenditures to meet this goal.

Aynesworth Elementary School's staff will provide students Kinder through 6th grade a variety of opportunities to explore real-world learning experiences and competencies for workplace success.

Step 3: As a result of the analysis from Steps 1 and 2, describe any changes that will be made (next school year) in this goal, annual metrics, and actions to achieve this goal. Identify where those changes can be found in the upcoming 2021-2022 SPSA.

- Cultivate community partners to support service-learning projects, community leaders as guest speakers to share their expertise at career fairs, family events and other events.
- Grade level PLCs deciding in field trips.

Step 4: Stakeholder Involvement. Share the data and analysis with the School Site Council (SSC), English Learner Advisory Committee (ELAC) and school staff, as required. Record feedback and suggestions from each group below.

1 SSC:

Aynesworth's School Site Council was informed about the virtual field trips that students participated with a focus on real-world learning experiences.

2 ELAC:

Aynesworth's ELAC was informed about the virtual field trips that students participated with a focus on real-world learning experiences.

3 Staff:

Aynesworth's staff received information on how to have students to participate in real-world learning experiences.

Action 1

Title: Goal 2 Arts, Activities and Athletics

Action Details:

Aynesworth will create opportunities for students in grades K– 6 to participate in clubs and/or after school enrichment/sports activities around the goal 2 criteria of Arts, Activities and Athletics. Research states that participation in activities at school creates a sense of belonging that carries over into academics and the completion of High School and beyond which speaks to the Fresno Unified goal of College and Career Ready Graduates. These opportunities will be offered at least once a semester for a period of 4 - 6 weeks. Students will choose their activity from the list generated by the teachers. Teacher/classified extra time/contracts, materials, technology , and supplies will be provided to support student engagement in the arts, activities, and athletics.
