ARTICLE VII

Section 1 – Elections

Notices, in the major languages represented at the school of the SSC election, will be sent via students to the parents. Notices will also be posted on the school website and in the quarterly newsletters. Nomination may be posted on the webpage and may be picked up at the main office. Completed forms may be submitted via mail, email, or in person at the school site.

The election for parents to the School Site Council may be held at the Back-To-School Night, which is traditionally held in September or through an alternate election process no later than the month of September. Nominations must be submitted to the School at least one week before the election. One election ballot per parent, legal guardian or certified caretaker will be made available at the site or at the Back-To-School Night. Parents may request assistance from school personnel to complete the mechanics of voting without undue influence on the vote cast. In a similar manner, each staff member and student will receive one ballot to elect their representatives. Ballots will be counted and verified by 2 neutral persons as agreed upon by the members of the SSC. Nominees will be elected in descending order according to the criteria of highest number of votes. If there is a tie for an SSC representative position, a run-off vote will be taken as soon as feasible using the same elective process. The results of all SSC elections shall be recorded in the SSC minutes. Ballots shall be retained for the record in the event of disputes.

Section 2 – Election of Teachers

An election will be held as early as the second week of school to fill available positions. Notice of the election will be made at the first faculty meeting during the opening week of school.

Section 3 – Election of Students

General elections will be held in the spring when the class officers are elected. Three positions for SSC will be added to the spring ballot and the 4th position will be put on the ballot in the fall when the fifth

grade class officers are elected. The students who are elected will serve a one year term. If for some reason a student representative cannot attend a meeting, it is the responsibility of that person, with the permission of the Leadership advisor, to send an alternate. This alternate will have full voting rights.

Section 4 – Principal

The principal will appoint other school personnel to serve on the School Site Council.

ARTICLE VIII

Section 1 – Bylaws Revision

The approved bylaws shall be reviewed annually by the SSC. Proposed changes that have significant impact on the community shall be posted and subject for public discussion at least one meeting prior to the SSC taking action. Bylaws revision shall be placed on a written agenda and requires a majority vote of the quorum present. Should SSC members be unable to agree on bylaws adoption in such a manner to significantly disrupt the legal duties of the SSC (that is to develop and implement the single plan for student achievement), the SSC shall by default, adopt the most current District provided sample bylaws to avoid having the school categorical budgets frozen until there is a resolution.

Section 2 – Accessibility of Bylaws

Bylaws shall be translated for accessibility to the major language groups represented in the school community. They shall be available at every SSC meeting and to members of the public upon request.
