District Goals	
<p>The purpose of the School Plan for Student Achievement is to provide a comprehensive document providing details of site planned actions and expenditures as they relate to the goals of Fresno Unified. The plan supports student outcomes and overall performance in connection with the District’s Local Control and Accountability Plan and in alignment with the Four District Goals supporting the expectation that all students will be in school, on time and ready to learn every day.</p>	
1.	All students will excel in reading, writing and math.
2.	All students will engage in arts, activities and athletics.
3.	All students will demonstrate the character and competencies for workplace success.
4.	All students will stay in school on target to graduate.

Centralized Services - No Centralized Services are utilized at this time.

Consolidated Program Assurances

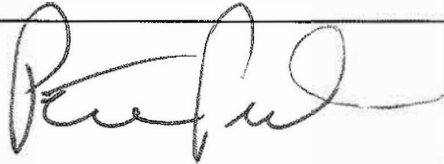

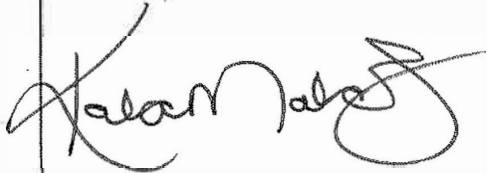

<p>The School Site Council (SSC) develops and revises the Single Plan for Student Achievement (SPSA) and the corresponding budget to be presented for approval to the Board of Education of the Fresno Unified School District annually.</p>
<p>The SSC, and all advisory committees, are formed in accordance with procedures established by federal or state law and regulations, and with membership parity as mandated. The advisory committees provide input on the SPSA.</p>
<p>The principal is an active member of the SSC and participates in regularly scheduled meetings throughout the school year. Classroom teachers, school staff, parents and students (secondary level only) are also participating members.</p>
<p>The school’s SSC, staff and parents participate in a needs assessment to help guide SPSA development.</p>
<p>The members of the SSC, the school’s English Learners’ Advisory Committee (ELAC) and members of other advisory school committees receive information and data detailing the needs of students during the SPSA development process and the comprehensive needs assessment. Information for all significant subgroups includes the economically disadvantaged students, students with disabilities, gifted and talented students, English Learners, and foster youth.</p>
<p>School sites schedule SSC and ELAC meetings yearly to elect officers, designate representation for district meetings (DAC and DELAC), and provide input for the SPSA. ELAC may vote to consolidate with the SSC every two years.</p>
<p>Opportunities for parents to participate in the development of the SPSA are provided by all schools, as described in the Elementary and Secondary Education Act (federal law), California Education Code, and the policies and regulations of the Fresno Unified School District Board of Education. The SPSA includes strategies to improve parent involvement and examples of the Parent Involvement Policy and the Parent-School Compact.</p>
<p>Strategies to improve student achievement, meet measurable objectives, provide high quality professional development, and support struggling students through the use scientifically-based research are included in the SPSA. The SPSA reforms and supplemental funding provide opportunities for all students to meet state standards by extending learning time, supporting grade-level and school-level student transitions and providing social-emotional supports for students.</p>
<p>The Single Plan for Student Achievement is reviewed and revised during the first semester of each school year, and re-evaluated and re-written during the second semester of each school year for annual approval by the Board of Education.</p>

ON-SITE ALLOCATION

3010	Title I	\$37,518 *
7090	LCFF Supplemental & Concentration	\$123,565
7091	LCFF for English Learners	\$51,435
3182	Comprehensive Support and Improvement	<u>\$151,515</u>
TOTAL 2019/20 ON-SITE ALLOCATION		\$364,033

* These are the total funds provided through the Consolidated Application

* Title I requires a specific investment for Parent Involvement

Title I Parent Involvement - Minimum Required	\$1,443
Remaining Title I funds are at the discretion of the School Site Council	\$36,075
Total Title I Allocation	<u>\$37,518</u>

Assurances for Comprehensive Support and Improvement Schools (CSI)

- ❖ Coaching provided to site leaders to support change management and inclusive processes in the development of the site SPSA.
 - Utilization of evidence based strategies aligned to state identification.
- ❖ Cross Functional (CF) Pivot Team, which includes department representatives (C&I/PL, SPED, DPI, EL Services, E&A, HR, etc.) and/or community partners, work in tandem with the site team as a Professional Learning Community (PLC).
 - School site team works with CF Pivot Team to complete a root cause analysis and determine areas of focus.
 - School site team works with CF Pivot Team to identify actions and metrics as part of the site leaders 6-8 week plan.
 - School site team and CF Pivot Team to learn together using an inclusive, improvement science model. They will be responsible to monitor SPSA actions and outcomes, and identify any additional needs to share with Cabinet for feedback and support to accelerate progress.
 - CSI manager III assigned to school site to support CCI data monitoring.
 - Additional resources available in a “menu of options” for the Cross Functional Pivot Team to access as needed in collaboration with the school site team.
- ❖ Supervisor and/or designee conducts weekly coaching/support/monitoring of SPSA goals, actions and outcomes.
- ❖ Resources and expertise provided to the CF Pivot Team for deployment to best meet the needs of the individual school sites based upon CSI identified student groups.
 - Resources (Human Capital) are provided to elevate school performance through sustainable strategies that have lasting effects beyond the expiration of funding.
- ❖ Site leader access to a District Administrative Support Team to take over their daily duties so they can engage in learning opportunities and actions that impact school improvements aligned to their CSI identified student groups (one-week notice).
- ❖ Professional learning for site leaders and teachers focused on CSI identified student groups.

Cambridge High 2019-2020 - School Plan for Student Achievement (SPSA)

Goal 1 - All Students will excel in reading, writing and math

Needs Assessment

School Quality Review

School Level Dashboard

Goal 1 Metrics	Current Target	Actual	As Of	Target
SBAC ELA 3-8, 11 - Meets or Exceeds Standards (grades 3-11)	8.873 %	4.945 %	2017-2018	11.945 %
SBAC Math 3-8, 11 - Meets or Exceeds Standards (grades 3-11)	7 %	0 %	2017-2018	7 %

Step 1: After selecting metrics, analyze the current 'California School Dashboard', relevant site data, current SPSA, and current budget to conduct a review and analysis and answer the questions below.

1 Review Current SPSA and Budget. Describe the overall implementation of each action and explain the effectiveness in achieving the expected outcomes for the metrics in this goal.

SBAC ELA 3-8, 11 - Meets or Exceeds Standards (grades 3-11)

The 2018-2019 SPSA focused on the development and expansion of programs at Cambridge. This is a consistent need as we serve the most credit deficient and underserved students in our system. Due to the complexity and severe credit deficiencies of students entering throughout the school year, there is need to continue goals of the 2018-2019 SPSA. The effectiveness of the SPSA and current site expenditures may be seen in the expansion of online curriculum (EDGENUITY) with the expectation that all students will have at least one EDGENUITY course. In addition, the creation of a Night School at Cambridge expanded opportunities for students to extend their day and create more credit recovery opportunities for each student.

**Based on data sets from SBAC and California School Dashboard indicators, the following factors contributed to each metric:

1. 11th grade students declined 3.5 points from the previous years testing data.
2. CHS 11th grade students are approximately 151 points below standard based on 100 students.
3. Attendance
4. Enrollment dates - Students may have only been enrolled for a short duration of time.
5. . Students far below grade level upon enrolling from comprehensive high schools.

2 Identify resource inequities or other key factors that contributed to the disproportionality of low-performing student groups.

SBAC ELA 3-8, 11 - Meets or Exceeds Standards (grades 3-11)

SBAC ELA 3-8, 11 - Meets or Exceeds Standards (grades 3-11)

Based on the following data points, these factors contributed to the disproportionality:

1. Key Factors attributing to the disproportionality of low performing student groups include:

4.2% of African-American students met/exceeded standards

11.8% of Asian students met/exceeded standards

4.4% of Hispanic students met/exceeded standards

No English Learners met/exceeded standards

No SPED met/exceeded standards

4.6 % of Socio-Economically Disadvantaged met/exceeded standards

This disproportionality is due to short term enrollment factors as underserved severely credit deficient students are enrolled at Cambridge. The average student is enrolled for approximately 5 months. As a result, SBAC does not give the best measurements of academic growth.

A. Students enter Cambridge from our comprehensive high schools primarily for credit recovery reasons affecting site SBAC data.

6. The variable credit system does not align to district pacing guides and/or scope and sequence.
7. Student transiency and short term enrollment of students impacts SBAC scores as student predominantly enroll as 11th grade and 12th grade students.

SBAC Math 3-8, 11 - Meets or Exceeds Standards (grades 3-11)

The 2018-2019 SPSA focused on the development and expansion of programs at Cambridge. This is a consistent need as we serve the most credit deficient and underserved students in our system. Due to the complexity and severe credit deficiencies of students entering throughout the school year, there is need to continue goals of the 2018-2019 SPSA. The effectiveness of the SPSA and current site expenditures may seen in the expansion of online curriculum (EDGENUITY) with the expectation that all students will have atleast one EDGENUITY course. In addition, the creation of a Night School at Cambridge expanded opportunities for students to extend thier day and create more credit recovery opportunities for each student.

**Based on data sets from SBAC and California School Dashboard indicators, the following factors contributed to each metric:

1. 11th grade students decined 7 points from the previous years testing data.
2. CHS 11th grade students are approximately 235.9 points below standard based on 95 students.
3. Student transiency and short term enrollment of students impacts SBAC scores as student predominantly enroll as 11th grade and 12th grade students.
4. Attendance
- 5, Enrollment dates - Students may have only been enrolled for a short duration of time..
6. Students far beloww rade level upon enrollment.
7. The variable credit system does not align to district pacing guides and/or scope and sequence.

- B. Continue previous goals of improving Academic support and interventions to meet the needs of low to high credit deficient students where they are upon enrollement.
- C. Continue previous SPSA goals of ensuring every student has a combination of online learning and direct instruction courses to better support each students academic growth and graduation goals.
- D. Expansion of Academic and Career Mentoring to better support each students learning and career goals.
- E. Expansion of interventions to improve student attendance across all subgroups.
- F. Expansion of interventions to improve parent participation through both traditional and non-traditional means.

SBAC Math 3-8, 11 - Meets or Exceeds Standards (grades 3-11)

SBAC Math 11 - Meets or Exceeds Standards (grades 3-11)

Based on the following data points, these factors contributed to the disproportionality.

1. Key Factors attributing to the dipropritonality of low performing student groups include:

No African-American students met/exceeded standards

No Asian students met/exceeded standards

No Hispanic students met/exceeded standards

No English Learners met/exceeded standards

No SPED met/exceeded standards

No Socio-Economically Disadvantaged met/exceeded standards

This disproportionality is due to short term enrollment factors as underserved severely credit deficient students are enrolled at Cambridge. The average student is enrolled for approximately 5 months. As a result, SBAC does not give the best measurements of academic growth for our students.

- A. Students enter Cambridge from our comprehensive high schools primarily for credit recovery reasons effecting site SBAC data.
- B. Students entering Cambridge have various credit recovery math needs based on previous success at their comprehensive high school campus. SBAC is based on Algebra II with Cambridge Students in the process of completing Algebra I and Geometry prior to taking 3rd year math requirements.
- C. Continue previous goals of improving Academic support and interventions to meet the needs of low to high credit deficient students where they are upon enrollement.
- D. Continue previous SPSA goals of ensuring every student has a combination of online learning and direct instruction courses to better support each students academic growth and graduation goals.
- E. Expansion of Academic and Career Mentoring to better support each students learning and career goals.
- F. Expansion of interventions to improve student attendance across all subgroups.
- G. Expansion of interventions to improve parent participation through both traditional and non-traditional means.

Step 2: Briefly describe any major differences between the intended and actual implementation of actions and budget expenditures to meet this goal.

During 2018-2019, Cambridge High School allocated funds to support student achievement and academic literacy through technology with a goal of making Cambridge High School a one to one site for computers in the classroom. This was to leverage technology to support digital literacy, academic literacy, and credit recovery. The California Dashboard indicators impacting Cambridge are Graduation rate, attendance, and suspension rates. In order to make improvement in Graduation rates, there will be a need to continue to expand credit recovery platforms to meet students where they are academically. This may include but not limited to: Self-Funded EDGENUITY Cambridge Night School; Winter Session/Spring Break EDGENUITY sessions; Saturday School Sessions; and any traditional/non-traditional opportunities.

Additionally, budget allocations will be used to support opportunities to provide access for all students to reach graduation goals, including:

1. College and Career Ready Field trips to both industry and institutions of higher learning.
2. Additional Online learning opportunities including CTE courses
3. Dual Enrollment Fresno City College course (s)
4. Bus tokens for transportation including night school, winter session etc.
5. Professional Development to improve instructional practices designed to improve academic literacy, attendance, and graduation opportunities for all students.

Step 3: As a result of the analysis from Steps 1 and 2, describe any changes that will be made in this goal, annual metrics, and actions to achieve this goal. Identify where those changes can be found in the upcoming 2019-2020 SPSA.

Based on data sets from From the California State Dashboard, SBAC, Interim, and internal data sets, Cambridge will expand professional development staff and student learning opportunities to support literacy and graduation goals. As we serve our under-served populations enrolling from our comprehensive high schools, we will continue to work to improve instructional practices to meet the needs of all of our students. These additions will be most evident in GOALS 1, 3, and 4.

Step 4: Stakeholder Involvement. Share the data and analysis with the School Site Council (SSC), English Learner Advisory Committee (ELAC) and school staff, as required. Record feedback and suggestions from each group below.

1 SSC:

1. Additional school activities
2. College field trips
3. Additional elective course offerings
4. PE options other than instructional packets

2 ELAC:

1. Note ELAC folded into SSC due to being categorized as unorganized school based on transiency
- Additional school activities
2. College field trips
 3. Additional elective course offerings

3 Staff:

1. Additional personnel to support students including SPED staff.
2. Additional school activities including sports for students.
3. Expanded electives including online and direct instruction.c
4. More field trips to colleges
5. Reading materials including periodicals for science, math, social studies, and English.

- 6. PE class
- 7. Reading and Writing tutorials
- 8. Math support tutorials
- 9. Student grouping based on scheduling

Action 1

Title: SBAC

Action Details:

By the end of the 2019-2020 school year, Cambridge High School will increase the number of students meeting proficiency on the SBAC ELA by 5% and in Math by 7%. To achieve this goal, Cambridge High School will provide multiple platforms to increase learning opportunities for credit recovery and academic growth. As we serve our districts most credit deficient students, students will improve literacy and math skills based on academic need and where each student is upon enrollment at Cambridge.

Reasoning for using this action: Strong Evidence Moderate Evidence Promising Evidence

Explain the Progress Monitoring and data used for this Action

Details: Explain the data which will specifically monitor progress toward each indicator target

- Quarter grades and credits earned
- Quarterly data conversations with students and staff
- Progress Reports
- Fall and Spring semester student transitions returning to comprehensive
- Early Graduates
- ATLAS Progress Reports
- Cambridge Student Success Plans
- Classroom walkthrough data
- ATLAS attendance reports
- ATLAS Variable Credit Tool
- GED, HSET, and CHSP Completions

Owner(s):

Teachers

Timeline:

Administration: August 2019-June 2020
Lead Teachers: August 2019-June 2020
Teachers: August 2019-June 2020

Describe Direct Instructional Services to students, including materials and supplies required (curriculum and instruction):

CSI Support Allocations targeted towards Graduation Rate:

- Coaching provided to site leaders to support change management and inclusive processes in the development of the site SPSA
- Utilization of evidence based strategies aligned to state identification.
- Cross Functional (CF) Pivot Team, which includes department representatives (C&I/PL, SPED, DPI, EL Services, E&A, HR, etc.) and/or community partners, work in tandem with the site team as a Professional Learning Community (PLC).
- School site team works with CF Pivot Team to complete a root cause analysis and determine areas of need.
- School site team works with CF Pivot Team to identify actions and metrics as part of the site leaders 6-8 week plan.

- School site team and CF Pivot Team to learn together using an inclusive, improvement science model. They will be responsible to monitor SPSA actions and outcomes, and identify any additional needs to share with Cabinet for feedback and support to accelerate progress.
- CSI manager III assigned to school site to support CCI data monitoring.
- Additional resources available in a "menu of options" for the Cross Functional Pivot Team to access as needed in collaboration with the school site team.
- Supervisor and/or designee conducts weekly coaching/support/monitoring of SPSA goals, actions and outcomes.
- Resources and expertise provided to the CF Pivot Team for deployment to best meet the needs of the individual school sites based upon CSI identified student groups.
 - Resources (Human Capital) are provided to elevate school performance through sustainable strategies that have lasting effects beyond the expiration of funding.
- Site leader access to a District Administrative Support Team to take over their daily duties so they can engage in learning opportunities and actions that impact school improvements aligned to their CSI identified student groups (one-week notice).
- Professional learning for site leaders and teachers focused on CSI identified student groups.

Instructional Services:

Tier 1 Instructional Services

1. Full Schedule based on student's academic needs
2. Online Learning
3. AC's analysis of student work to determine literacy support needed to support student success.
4. AB1802 Conferences
5. FAS Night school
6. CHS Night School
7. School to home communication

Additional Instructional Services for ALL students:

- On-Line Credit Recovery labs (EDGENUITY, APEX, ETC.) will be offered afterschool, CHS Night school, and/or Saturday School.
- Supplemental Teaching contracts to support Cambridge Night School and Credit Recovery platforms. These contracts are designed to expand program opportunities for our students. These are critical areas of need for our districts severely credit deficient underserved students who have enrolled from their respective comprehensive high schools. These programs will be supported and aligned by the following:
 - 1. School site team works with CF Pivot Team to complete a root cause analysis and determine areas of need.**
 - 2. School site team works with CF Pivot Team to identify actions and metrics as part of the site leaders 6-8 week plan.**
 - 3. School site team and CF Pivot Team to learn together using an inclusive, improvement science model. They will be responsible to monitor SPSA actions and outcomes, and identify any additional needs to share with Cabinet for feedback and support to accelerate progress.**
- Supplemental planning contracts to support teaching planning, and parent engagement. These contracts will support student achievement by increasing planning time to meet the needs of all students as related to MTSS Tier 1, Tier 2, and Tier 3 services. Additionally, contracts will be utilized to support parent engagement work such as Saturday Parent engagement sessions.
- Budget line allocation to support substitute teachers for WASC Visiting Committee Members, Planning, conferences, Peer to Peer Visitation, and onsite/off-site professional development.
- Budget line allocation to support ADMIN substitute for site administrators for professional development, conferences, and other off-site job related duties.
- College, CTE, and Enrichment Field trips including transportation, admission, and meals to support College and Career Readiness and Enrichment experiences.
- GED, HSET, and CHSP support materials and testing vouchers to support students with graduation preparation and response to DASS Graduation indicator.
- AB1802 Conferences
- Cambridge Student Success Plan meetings
- Site based incentives for earning honor roll, merit list, and principals honor roll.
- Site based incentives for students earning on-track for graduation status.
- 21st century Online credit recovery opportunities during the instructional day such as EDGENUITY, APEX, etc.
- Guaranteed and Viable curriculum to support academic literacy and student success
- Mobile computer labs to support on-line learning opportunities in the classroom. These mobile carts are critical to providing 21st century access and expanded credit recovery curriculum and support academic growth. As the most severely credit deficient underserved students continue to enroll at Cambridge, it is imperative that each student has access to the tools needed to improve opportunities for graduation.

- Winter Session Physical Education class offered for credit recovery.
- Spring Break and Saturday Physical Education course
- Stand-up for Excellence incentives to recognize positive academic, citizenship, attendance, and campus culture contributions made by students, staff, and parents.
- CTE summer time credit recovery opportunities using and taking part in career web-based graphic design, production, and marketing of T-shirts for school and district requests.
- Supplies for CTE graphic design and production projects for CHS inks
- CTE materials and supplies to support authentic learning and elective credit opportunities
- Student success incentives for academic literacy, credit acceleration and recovery, SBAC growth, completion of graduation goals, positive attendance growth, etc.
- Funds for Nutrition/Super Snack program for Cambridge Night School
- Cambridge Night School
- Nutrition and/or Super Snack program for Night School
- Field trips and other enrichment activities for 12th grade students
- Entrance Fees and transportation for field trips and other enrichment activities
- Bus tokens for school transportation
- **CIS Plan Development**
- Partnering with Stakeholders (site and district level)
- Conducting needs assessments and root cause analysis
- Reviewing/Identifying resource inequities
- Identifying evidence based interventions strategies
- Actions regarding use of data, plan implementation, plan monitoring, and evaluation of plan improvement efforts
- Capacity Building
- Professional learning rooted in the work specifically correlated to the CSI identification. Professional learning will include but not limited to Solution Tree PLC at Work, INACOL, RAPSA, Educational Elements, CCEA, CCIS, English Learner Group, etc.

Specify enhanced services for EL students:

1. Google translation services for Teachers and students to utilize in instructional planning and classroom teaching.
2. Emphasis on instructional strategies and direct instruction focused on text complexity and academic vocabulary.
3. Instructional strategies and direct instruction focused on building knowledge from informational text.
4. Online credit recovery providing front loaded academic vocabulary and frequent exposure to make content accessible to EL learners.
5. On-line credit recovery menu providing clear learning goals and modeling of instruction to support students in working independently and completing DOK 3 and 4 tasks.
6. Technology and other materials such as tablets, laptops, etc. to support on-line credit recovery, SBAC testing, DRP, and redesignation.
7. Resources to provide ELPAC Assessors the proper supports and testing conditions to support English Learner Redesignation.
8. Use of EDGENUITY curriculum may be used to support EL learners by changing the content language to Spanish if needed to better support each learner.

Specify enhanced services for low-performing student groups:

CSI Support Allocations targeted towards Graduation Rate:

- Coaching provided to site leaders to support change management and inclusive processes in the development of the site SPSA.
- Utilization of evidence based strategies aligned to state identification.
- Cross Functional (CF) Pivot Team, which includes department representatives (C&I/PL, SPED, DPI, EL Services, E&A, HR, etc.) and/or community partners, work in tandem with the site team as a Professional Learning Community (PLC).
- School site team works with CF Pivot Team to complete a root cause analysis and determine areas of
- School site team works with CF Pivot Team to identify actions and metrics as part of the site leaders 6-8 week plan.
- School site team and CF Pivot Team to learn together using an inclusive, improvement science model. They will be responsible to monitor SPSA actions and outcomes, and identify any additional needs to share with Cabinet for feedback and support to accelerate progress.
- CSI manager III assigned to school site to support CCI data monitoring.
- Additional resources available in a “menu of options” for the Cross Functional Pivot Team to access as needed in collaboration with the school site team.
- Supervisor and/or designee conducts weekly coaching/support/monitoring of SPSA goals, actions and outcomes.
- Resources and expertise provided to the CF Pivot Team for deployment to best meet the needs of the

individual school sites based upon CSI identified student groups.

- Resources (Human Capital) are provided to elevate school performance through sustainable strategies that have lasting effects beyond the expiration of funding.
- Site leader access to a District Administrative Support Team to take over their daily duties so they can engage in learning opportunities and actions that impact school improvements aligned to their CSI identified student groups (one-week notice).
- Professional learning for site leaders and teachers focused on CSI identified student groups.

Tier 2 Instructional Services

1. One on One Student Success Plan Meeting
2. AC's determine additional support needed to support student success
3. Academic Goal Setting Conference
4. Khan Academy Tutorials
5. Academic Mentoring
6. School to home communication
7. Supplemental contracts will be used to provide but not limited to additional instructional time/SEL supports/credit recovery efforts.

Tier 3 Instructional Services

1. Parent conferences
2. School Social worker referral
3. Emminence Program Referral (if applicable)
4. Flexible Scheduling (If Needed)
5. SARB (If Needed)
6. Academic Mentoring
7. Supplemental contracts will be used to provide but not limited to additional instructional time/SEL supports/credit recovery efforts in individualized/small group settings.

Explain the actions for Parent Involvement (required by Title I):

- Parent Engagement Functions including coffee hours, Sidewalk Coffee Chats, information night, etc.
- Bi-Weekly/Monthly parent engagement home visitations for selected students to share student transcript, schedule, bell schedule, and invitation to school events.
- Parent Participation funds for Math and Literacy nights in order to build fluency skills
- Parent Data Chats and Information events to improve overall parent attendance and support partnerships between home and school
- Principal, VP, GLA, Counselor and Office staff will work on developing more consistent communication system with parents.
- Supplemental contracts to support parent engagement such as Saturday parent drop ins to better support working parents and providing access to their students academic progress.

Describe Professional Learning related to this action:

- Professional Learning through site based, district led, off-site Professional Development/Conferences for staff.
- Site based and off-site professional learning focused on targeted instruction to support academic literacy in all credit recovery options.
- Professional learning supporting instructors better supporting student success in the redesignation of English Language learners.
- Professional Development focused on CSTP's 1, 2, and 4 to support student engagement, classroom management, and instructional planning in order support student success in both academic and socialemotional domains.
- Professional Development using relevant professional publications, periodicals, and literature to continually support CSTP's to better support academic literacy and student success.
- Professional learning to support the continued implementation of online education. For example, professional learning may include but not limited to Learning Forward, INACOL, PLC at Work, etc.

2019-2020 SPSA Budget Goal Subtotal

School Level Dashboard

Goal 2 Metrics	Current Target	Actual	As Of	Target
Goal 2 Participation Rate	67.805 %	54.197 %	2017-2018	61.197 %

Step 1: After selecting metrics, analyze the current 'California School Dashboard', relevant site data, current SPSA, and current budget to conduct a review and analysis and answer the questions below.

1 Review Current SPSA and Budget. Describe the overall implementation of each action and explain the effectiveness in achieving the expected outcomes for the metrics in this goal.

Goal 2 Participation Rate

Based on the current SPSA for 2018-2019, there is a need to continue current goals and actions as related to GOAL 2 engagements. The reason for this continuance is based on the service to our districts most underserved credit deficient students enrolling throughout the school year. In addition, as we work towards providing additional GOAL 2 opportunities, this should enhance student engagement and thus improving GOAL 2 participation rates of 47%. By increasing participation, this could have an impact on attendance and graduation rates.

Based on current GOAL 2 Data, Cambridge High School will improve engagement opportunities for all students through the expansion of traditional/non-traditional clubs, activities, and athletics by 5%. This will include the expansion of fieldtrips both to institutions of higher learning and industry partners.

1. All 11th grade students will participate in a minimum of one engagement.
2. CHS 11th grade students are approximately 151 points below standard based on 100 students.
3. Student transiency and short term enrollment of students impacts SBAC scores as student predominantly enroll as 11th grade and 12th grade students.

2 Identify resource inequities or other key factors that contributed to the disproportionality of low-performing student groups.

Goal 2 Participation Rate

Inequities and disproportionality of low-performing student groups are affected by the following factors:

- 61% of White students were attached to a GOAL 2 engagement.
- 47.61% of Hispanic students were attached to a GOAL 2 engagement
- 34.21% of Asian students were attached to a GOAL 2 engagement
- 55.8% of Special Education students were attached to a GOAL 2 engagement
- 62.5% of Project Access Students were attached to a GOAL 2 engagement
- 57.14% of Foster Youth students were attached to a GOAL 2 engagement

Goal 2 Participation Rate

1. Previous to the 2018-2019 school year, Cambridge had an emerging number of clubs and activities.
2. There is need to encourage more clubs and sponsors to make an impact on all student groups.
3. Attendance affects Goal 2 participation
4. Students enrolled at Cambridge travel from all seven regions of our district.
5. Trust needs to be established with newly enrolled students.
6. For the 2018-2019 school year, Cambridge used opportunities to fund for club sponsors and personnel to assist with Campus lunch time events including intramurals and leadership sponsored activities. This will pair with traditional campus enrichment activities including Leadership, Academic Decathlon, Sunrise Rotary food drives, and assisting with Rotary Chocolate Run.
7. Disproportionality continues to affect all groups involving parent engagement. A need for non-traditional and traditional actions to impact parent engagement is needed to incorporate parents into their students academic progress. Events such as Saturday drop-in coffee chats, Principal Sidewalk Coffee Chats, etc.

Step 2: Briefly describe any major differences between the intended and actual implementation of actions and budget expenditures to meet this goal.

Allocations for GOAL 2 actions will remain similar to 2018-2019 but will build upon momentum created by the addition of new clubs on campus including the GAMERS club and GSA.

Step 3: As a result of the analysis from Steps 1 and 2, describe any changes that will be made in this goal, annual metrics, and actions to achieve this goal. Identify where those changes can be found in the upcoming 2019-2020 SPSA.

No significant changes are being made to this goal but there will be an intentional focus on using resources to expand clubs and activities. This will include supplemental contracts to provide to staff members to mentor as a club advisor or support campus activities.

Step 4: Stakeholder Involvement. Share the data and analysis with the School Site Council (SSC), English Learner Advisory Committee (ELAC) and school staff, as required. Record feedback and suggestions from each group below.

- 1** SSC:
1. Additional school activities
 2. College field trips
 3. Additional elective course offerings
 4. PE options other than instructional packets

- 2** ELAC:
1. Note ELAC folded into SSC due to being categorized as unorganized school based on transiency
- Additional school activities
2. College field trips
 3. Additional elective course offerings

- 3** Staff:
1. Additional personnel to support students including SPED staff.
 2. Additional school activities including sports for students.
 3. Expanded electives including online and direct instruction.c
 4. More field trips to colleges
 5. Reading materials including periodicals for science, math, social studies, and English.
 6. PE class
 7. Reading and Writing tutorials
 8. Math support tutorials
 9. Student grouping based on scheduling

Action 1

Title: Student Engagement/Extra-Curricular Activities

Action Details:

By the end of the 2019-2020 school year, Cambridge High School will improve Student Engagement/Extra-Curricular Activities rate by 5%. This goal will be accomplished by implementing strategic interventions to engage and support all students to participate in a GOAL 2 activity. By creating individual connections with each student, the staff at Cambridge High School will break down the conditions that have failed students by creating an emotionally and physically safe learning environment where students are connected to their school. This will be completed by recognizing moments of success, individual conferences, creating GOAL 2 engagements and improving opportunities for parents to be involved with their student's education.

Reasoning for using this action:

Strong Evidence

Moderate Evidence

Promising Evidence

Explain the Progress Monitoring and data used for this Action

Details: Explain the data which will specifically monitor progress toward each indicator target

- ATLAS Attendance Reports
- QuarterGrades and credits earned
- Quarterly data chats with students and staff
- Semester transitions of Senior Rough-Cats returning to home high school. Progress Report Monitoring AB1802 Conference

Describe Direct Instructional Services to students, including materials and supplies required (curriculum and instruction):

Tier 1 Instructional Services

1. Full Schedule of courses based on student needs and flexible master schedule
2. Online Learning
3. AB1802 Conferences
4. FAS Night school
5. CHS Night School
6. Academic Mentoring
7. School to Home communication
8. Student Enrichment Field trips
9. GED, HSET, CHSP-High School Equivalency Diploma Options
10. Online CTE Course offerings
11. Dual Enrollment College Courses

Additional Instructional Services for ALL students:

- On-Line Credit Recovery labs (EDGENUITY, APEX, ETC.) will be offered afterschool, CHS Night school, and/or Saturday School.
- Supplemental Teaching contracts to support Cambridge Night School and Credit Recovery platforms.
- Supplemental planning contracts to support WASC, Teaching planning, and parent engagement.
- Supplemental planning and teaching contracts to support GOAL 2 activities.
- Budget line allocation to support substitute teachers for WASC Visiting Committee Members, Planning, conferences, Peer to Peer Visitation, and onsite/off-site professional development.
- Budget line allocation to support ADMIN substitute for site administrators for professional development, conferences, and/or other off-site job related duties.
- College, CTE, and Enrichment Field trips including transportation, admission, and meals to support College and Career Readiness and Enrichment experiences.
- GED, HSET, and CHSP support materials and testing vouchers to support students with graduation preparation and response to DASS Graduation indicator.
- AB1802 Conferences
- Cambridge Student Success Plan meetings
- Site based incentives for earning honor roll, merit list, and principals honor roll.
- Site based incentives for students earning on-track for graduation status.
- 21st century Online credit recovery opportunities during the instructional day such as EDGENUITY, APEX, etc.
- Guaranteed and Viable curriculum to support academic literacy and student success
- Mobile computer labs to support on-line learning opportunities in the classroom.
- Winter Session Physical Education class offered for credit recovery.
- Spring Break and Saturday Physical Education course
- Stand-up for Excellence incentives to recognize positive academic, citizenship, attendance, and campus culture contributions made by students, staff, and parents.
- CTE summer time credit recovery opportunities using and taking part in career web-based graphic design, production, and marketing of T-shirts for school and district requests.
- Supplies for CTE graphic design and production projects for CHS inks
- CTE materials and supplies to support authentic learning and elective credit opportunities
- Student success incentives for academic literacy, credit acceleration and recovery, SBAC growth, completion of graduation goals, positive attendance growth, etc.
- Funds for Nutrition/Super Snack program for Cambridge Night School
- Cambridge Night School
- Nutrition and/or Super Snack program for Night School
- Field trips and other enrichment activities for 12th grade students
- Entrance Fees and transportation for field trips and other enrichment activities
- Bus tokens for school transportation
- **CIS Plan Development**
- Partnering with Stakeholders (site and district level)
- Conducting needs assessments and root cause analysis
- Reviewing/Identifying resource inequities
- Identifying evidence based interventions strategies
- Actions regarding use of data, plan implementation, plan monitoring, and evaluation of plan improvement efforts
- Capacity Building
- Professional learning rooted in the work specifically correlated to the CSI identification

Specify enhanced services for EL students:

1. Google translation services for Teachers and students to utilize in instructional planning and classroom teaching.
2. Emphasis on instructional strategies and direct instruction focused on text complexity and academic vocabulary.
3. Instructional strategies and direct instruction focused on building knowledge from informational text.
4. Online credit recovery providing front loaded academic vocabulary and frequent exposure to make content accessible to EL learners.
5. On-line credit recovery menu providing clear learning goals and modeling of instruction to support students in

Specify enhanced services for low-performing student groups:

CSI Support Allocations targeted towards Graduation Rate:

- Coaching provided to site leaders to support change management and inclusive processes in the development of the site SPSA.
- Utilization of evidence based strategies aligned to state identification.
- Cross Functional (CF) Pivot Team, which includes department representatives (C&I/PL, SPED, DPI, EL Services, E&A, HR, etc.) and/or community partners, work in tandem with the site team as a Professional Learning Community (PLC).
- School site team works with CF Pivot Team to complete a root cause analysis and determine areas of
- School site team works with CF Pivot Team to identify actions and metrics as part of the site leaders 6-8

working independently and completing DOK 3 and 4 tasks.

6. Technology and other materials such as tablets, laptops, etc. to support on-line credit recovery, SBAC testing, DRP, and redesignation.

week plan.

- School site team and CF Pivot Team to learn together using an inclusive, improvement science model. They will be responsible to monitor SPSA actions and outcomes, and identify any additional needs to share with Cabinet for feedback and support to accelerate progress.
- CSI manager III assigned to school site to support CCI data monitoring.
- Additional resources available in a “menu of options” for the Cross Functional Pivot Team to access as needed in collaboration with the school site team.
- Supervisor and/or designee conducts weekly coaching/support/monitoring of SPSA goals, actions and outcomes.
- Resources and expertise provided to the CF Pivot Team for deployment to best meet the needs of the individual school sites based upon CSI identified student groups.
 - Resources (Human Capital) are provided to elevate school performance through sustainable strategies that have lasting effects beyond the expiration of funding.
- Site leader access to a District Administrative Support Team to take over their daily duties so they can engage in learning opportunities and actions that impact school improvements aligned to their CSI identified student groups (one-week notice).
- Professional learning for site leaders and teachers focused on CSI identified student groups.

Tier 2 Instructional Services

1. One on One Student Success Plan Meeting
2. AC's determine additional support needed to support student success
3. Academic Goal Setting Conference
4. Khan Academy Tutorials
5. Academic Mentoring
6. School to home communication
7. Supplemental contracts will be used to provide but not limited to additional instructional time/SEL supports/credit recovery efforts.

Tier 3 Instructional Services

1. Parent conferences
2. School Social worker referral
3. Emminence Program Referral (if applicable)
4. Flexible Scheduling (If Needed)
5. SARB (If Needed)
6. Academic Mentoring
7. Supplemental contracts will be used to provide but not limited to additional instructional time/SEL supports/credit recovery efforts.

Explain the actions for Parent Involvement (required by Title I):

- Parent Engagement Functions including coffee hours, Sidewalk Coffee Chats, information night, etc.
- Bi-Weekly/Monthly parent engagement home visitations for selected students to share student transcript,

Describe Professional Learning related to this action:

- Professional Learning through site based, district led, off-site Professional Development/Conferences for staff.

schedule, bell schedule, and invitation to school events.

- Parent Participation funds for Math and Literacy nights in order to build fluency skills
- Parent Data Chats and Information events to improve overall parent attendance and support partnerships between home and school
- Principal, VP, GLA, Counselor and Office staff will work on developing more consistent communication system with parents.

- Site based and off-site professional learning focused on targeted instruction to support academic literacy in all credit recovery options.
- Professional learning supporting instructors better supporting student success in the redesignation of English Language learners.
- Professional Development focused on CSTP's 1, 2, and 4 to support student engagement, classroom management, and instructional planning in order support student success in both academic and socialemotional domains.
- Professional Development using relevant professional publications, periodicals, and literature to continually support CSTP's to better support academic literacy and student success.
- Professional learning to support the continued implementation of online education

Goal 3 - All Students will demonstrate the character and competencies for workplace success

Needs Assessment

School Quality Review

School Level Dashboard

Goal 3 Metrics	Current Target	Actual	As Of	Target
CTE Enrollment	13.25 %	9.592 %	2017-2018	16.592 %
College/Career Readiness		0.503 %	2017-2018	3.503 %

Step 1: After selecting metrics, analyze the current 'California School Dashboard', relevant site data, current SPSA, and current budget to conduct a review and analysis and answer the questions below.

1 Review Current SPSA and Budget. Describe the overall implementation of each action and explain the effectiveness in achieving the expected outcomes for the metrics in this goal.

CTE Enrollment

Based on the current 2018-2019 SPSA, there is a need to continue current goals related to CTE Enrollment and development of character and competencies. The goal for 2018-2019 was to increase the number of students taking dual enrollment courses and CTE courses both on-site and at Duncan. The continuance of this work and improvement will be critical as this directly affects the dashboard College/Career Indicator.

CTE course opportunities are available through Small Business, Marketing, and Graphic Design courses. These classes are supplemented by the Cambridge Small Business Cambridge Inks. These CTE courses impact roughly 20% of our campus. Based on the DASS indicators, there is a need for an expansion of CTE learning opportunities to meet the requirements in the CTE indicator.

College/Career Readiness

Dual Enrollment course offered through Fresno City College dual enrollment class. Based on the new DASS indicator, there is a need to expand Dual Enrollment courses. For the 2018-2019 school year, Cambridge has had a small number of students attached to the current course. There is a need to recruit and retain more students in the course.

2 Identify resource inequities or other key factors that contributed to the disproportionality of low-performing student groups.

CTE Enrollment

Inequities and disproportionality of low-performing student groups are affected by the following factors: There is a significant need to increase opportunities for all student groups especially 12th grade students to be attached to a College/Career indicator: Based on CTE dashboard data, the following disproportionality affects this action:

54 English Learners made up the cohort date with none leaving prepared

148 Hispanic students made up the cohort with 0.7% leaving prepared

189 Socioeconomically disadvantaged students made up the cohort with 0.5% prepared.

1. Student transiency affects consistent enrollment in CTE courses for some students.
2. Attendance affects participation as students travel to Cambridge from seven different FUSD regions.
3. Students enrolling are severely credit deficient and enrolling throughout the school year.
4. Other Key factors contributing to the disproportionality of our low performing student groups include the need for additional CTE, Dual Enrollment, or AP courses to increase the access for all students.

College/Career Readiness

Key factors contributing to the disproportionality of our low performing student groups include the need for additional opportunities for students to access project based learning, personal learning initiative, and opportunities to visit universities and industries.

Step 2: Briefly describe any major differences between the intended and actual implementation of actions and budget expenditures to meet this goal.

Additional changes needed include an expansion of either AP, CTE, and Dual Enrollment courses. These expenditures will support course offerings supported by project based learning, personalized learning initiative, and fieldtrips to universities and industry.

Step 3: As a result of the analysis from Steps 1 and 2, describe any changes that will be made in this goal, annual metrics, and actions to achieve this goal. Identify where those changes can be found in the upcoming 2019-2020 SPSA.

Due to limited CTE course offerings on campus, there is a need to increase student participation in Duncan PM sessions as well as night time programs. In addition, there is a need to increase the number of students enrolling and completing Dual Enrollment courses and completing with a grade of C minus or better. This goal will be found in Goal 3 CTE Enrollment and development of character and competence.

Step 4: Stakeholder Involvement. Share the data and analysis with the School Site Council (SSC), English Learner Advisory Committee (ELAC) and school staff, as required. Record feedback and suggestions from each group below.

1 SSC:

1. Additional school activities
2. College field trips
3. Additional elective course offerings
4. PE options other than instructional packets

2 ELAC:

1. Note ELAC folded into SSC due to being categorized as unorganized school based on transiency
- Additional school activities
2. College field trips
 3. Additional elective course offerings

3 Staff:

1. Additional personnel to support students including SPED staff.
2. Additional school activities including sports for students.
3. Expanded electives including online and direct instruction.c
4. More field trips to colleges
5. Reading materials including periodicals for science, math, social studies, and English.
6. PE class
7. Reading and Writing tutorials
8. Math support tutorials
9. Student grouping based on scheduling

Action 1

Title: CTE Enrollment and development of character and competence

Action Details:

By the end of the 2019-2020 school year, Cambridge High School will increase the number of students taking CTE and Dual Enrollment courses by 5%. This goal will be supported through the implementation of strategic interventions and opportunities to support the development of character, competencies, and CTE participation. By expanding CTE experiences for every student based on College and Career competencies Cambridge High School students will have baseline skills for entry level positions. This will be measured by the number of students who complete atleast one semester/two quarters of Dual Enrollment with a C minus or better (Academic/CTE subjects)

Reasoning for using this action: <input type="checkbox"/> Strong Evidence <input type="checkbox"/> Moderate Evidence <input checked="" type="checkbox"/> Promising Evidence
--

Explain the Progress Monitoring and data used for this Action

Details: Explain the data which will specifically monitor progress toward each indicator target

- Quarter grades and credits earned
- Number of students enrolled in FCC class
- Number of students completing FCC class with a C minus or better
- Number of students taking Advance to College (FCC) courses
- Number of students completing Advance to College (FCC) courses
- Number of students taking part in CTE field trips
- Number of students taking part in internships.
- Quarterly data conversations with students and staff
- Fall and Spring semester student transitions returning to comprehensive
- Early Graduates

\$24,530.00

Goal 4 - All Students will stay in school on target to graduate

Needs Assessment

School Quality Review

School Level Dashboard

Goal 4 Metrics	Current Target	Actual	As Of	Target
Chronic Absenteeism	56.263 %	62.972 %	2017-2018	60.972 %
Suspensions Per 100	12.15 %	5.388 %	2017-2018	4.388 %
Graduation Rate		42.714 %	2017-2018	43.714 %

Step 1: After selecting metrics, analyze the current 'California School Dashboard', relevant site data, current SPSA, and current budget to conduct a review and analysis and answer the questions below.

1 Review Current SPSA and Budget. Describe the overall implementation of each action and explain the effectiveness in achieving the expected outcomes for the metrics in this goal.

Chronic Absenteeism

- Based on the current SPSA for 2018-2019, there is a need to continue current goals and actions as related to increase credit recovery opportunities to support graduation rates. The reason for this continuance is based on the service to our districts most underserved credit deficient students enrolling throughout the school year. In addition, as we work towards providing additional credit recovery opportunities, By increasing credit recovery program, there should be an increase in the 42% graduation rate.

Based on DASS indicators, Cambridge High School will be measured on attendance, suspension, and graduation rates. As a result, there is a need to provide expanded interventions for at-risk students who fall into chronic absenteeism categories.

- Define and systematize MTSS interventions to ensure all students are receiving services to support student engagement and promote positive attendance.
- Flexible master schedule to support each student by name and by need.
- Systematize academic and goal setting mentoring for all students.
- Students not living near the school and are having to travel from all seven FUSD regions.
- Cambridge students living outside of 1.5 miles from school depend on city bus transportation.
- Cambridge by design offers the most programs for potential credit recovery. Thus, the most credit deficient students in our system enroll consistently throughout the school year.
- Various factors including accelerated childhood experiences affect attendance.

Suspensions Per 100

2 Identify resource inequities or other key factors that contributed to the disproportionality of low-performing student groups.

Chronic Absenteeism

Based on various factors, the inequities that contributed to the disproportionality of low-performing students was affected by:

- 51.9% of 12th grade English Learner students graduated
- 44.6% of 12th grade Hispanic students graduated
- 42.3% of 12th grade Socio-economically disadvantaged students graduated

- Proximity of campus for students traveling to Cambridge from seven different regions.
- Most students utilize city bus transportation when traveling to and from Cambridge.
- Need to increase parent and/or guardian engagement through both traditional and non-traditional measures.
- A need to continue to evolve the flexible master schedule so multiple scheduling options are available based on name and by need.

Suspensions Per 100

- There is a need to utilize alternatives to suspension for non-violent suspensions especially substance abuse related offenses.
- There is a need to continue to expand engagement opportunities to build upon positive engagement trends made by leadership students.

Graduation Rate

- Students enrolling at Cambridge are significantly credit deficient with most below grade level.
- Attendance rate affects graduation rate.

Based on DASS indicators, there is a need expand the use of alternatives to suspension to cases of non-violent cases especially those involving substance abuse and possession.

1. Various factors including accelerated childhood experiences may affect behavior and attendance.
2. There is a need utilize and develop counseling and alternative options for substance abuse in lieu of suspensions.

Graduation Rate

Based on DASS indicators, graduation rate is a major factor for Cambridge on the dashboard. As we address the student needs for our underserved students transitioning from our Comprehensive High Schools, there is a need for multiple platforms of credit recovery opportunities to achieve graduation status.

1. Expand flexible master schedule to meet each students where they are academically and social-emotionally.
2. Expand after-school credit recovery opportunities for all students.
3. Expand alternatives within Master Schedule for severely credit deficient students to earn high school equivalency exams in lieu of diploma.
4. As part of our Alternative Education criteria, Cambridge serves our most credit deficient students in our district as CHS offers the most credit recovery options for students.

3. Some students need additional chronological time to graduate including 5th year to complete graduation requirements.

4. Various factors including accelerated childhood experiences may affect graduation rate.

5. Students needing significant credit recovery enrolling throughout the year.

Step 2: Briefly describe any major differences between the intended and actual implementation of actions and budget expenditures to meet this goal.

During 2018-2019, Cambridge High School allocated funds to support student achievement and academic literacy through technology with a goal of making Cambridge High School a one to one site for computers in the classroom. This was to leverage technology to support digital literacy, academic literacy, and credit recovery. The California Dashboard indicators impacting Cambridge are Graduation rate, attendance, and suspension rates. In order to make improvement in Graduation rates, there will be a need to continue to expand credit recovery platforms to meet students where they are academically. This may include but not limited to: Self-Funded EDGENUITY Cambridge Night School; Winter Session/Spring Break EDGENUITY sessions; Saturday School Sessions; and any traditional/non-traditional opportunities.

Additionally, budget allocations will be used to support opportunities to provide access for all students to reach graduation goals, including:

1. College and Career Ready Field trips to both industry and institutions of higher learning.
2. Additional Online learning opportunities including CTE courses
3. Dual Enrollment Fresno City College course (s)
4. Bus tokens for transportation including night school, winter session etc.
5. Professional Development to improve instructional practices designed to improve academic literacy, attendance, and graduation opportunities for all students.

Step 3: As a result of the analysis from Steps 1 and 2, describe any changes that will be made in this goal, annual metrics, and actions to achieve this goal. Identify where those changes can be found in the upcoming 2019-2020 SPSA.

Based on data sets from From the California State Dashboard, SBAC, Interim, and internal data sets, Cambridge will expand professional development staff and student learning opportunities to support literacy and graduation

goals. As we serve our under-served populations enrolling from our comprehensive high schools, we will continue to work to improve instructional practices to meet the needs of all of our students

Step 4: Stakeholder Involvement. Share the data and analysis with the School Site Council (SSC), English Learner Advisory Committee (ELAC) and school staff, as required. Record feedback and suggestions from each group below.

1 SSC:

1. Additional school activities
2. College field trips
3. Additional elective course offerings
4. PE options other than instructional packets

2 ELAC:

1. Note ELAC folded into SSC due to being categorized as unorganized school based on transiency
- Additional school activities
2. College field trips
 3. Additional elective course offerings

3 Staff:

1. Additional personnel to support students including SPED staff.
2. Additional school activities including sports for students.
3. Expanded electives including online and direct instruction.c
4. More field trips to colleges
5. Reading materials including periodicals for science, math, social studies, and English.
6. PE class
7. Reading and Writing tutorials
8. Math support tutorials
9. Student grouping based on scheduling

Action 1

Title: Graduation Rate

[Action Details:](#)

By the end of the 2019-2020 school year, Cambridge High School will increase graduation rate by 5% and increase the number of credits earned by 10 percent. To achieve this goal, Cambridge High School will provide multiple platforms to increase opportunities for students to meet credit recovery needs for graduation requirements. These opportunities will include platforms including on-line learning/curriculum, GED, HSET, CHSP, direct instruction, and credit recovery options that provide accelerated opportunities to recover credits to support all students in their graduation goals. In order to fill credit gaps and needs in student transcripts and in addition to their 5 period schedule, students will have opportunities for multiple platforms to accelerate learning through after-school/and or on-line elective labs, winter and spring session site funded credit recovery courses such as Cambridge Night School, Fresno Adult School, ELSP courses, CART, and Duncan.

Explain the Progress Monitoring and data used for this Action

Details: Explain the data which will specifically monitor progress toward each indicator target

CSI Support Allocations targeted towards Graduation Rate:

- Coaching provided to site leaders to support change management and inclusive processes in the development of the site SPSA
- Utilization of evidence based strategies aligned to state identification.
- Cross Functional (CF) Pivot Team, which includes department representatives (C&I/PL, SPED, DPI, EL Services, E&A, HR, etc.) and/or community partners, work in tandem with the site team as a Professional Learning Community (PLC).
- School site team works with CF Pivot Team to complete a root cause analysis and determine areas of
- School site team works with CF Pivot Team to identify actions and metrics as part of the site leaders 6-8 week plan.
- School site team and CF Pivot Team to learn together using an inclusive, improvement science model. They will be responsible to monitor SPSA actions and outcomes, and identify any additional needs to share with Cabinet for feedback and support to accelerate progress.
- CSI manager III assigned to school site to support CCI data monitoring.
- Additional resources available in a “menu of options” for the Cross Functional Pivot Team to access as needed in collaboration with the school site team.
- Supervisor and/or designee conducts weekly coaching/support/monitoring of SPSA goals, actions and outcomes.
- Resources and expertise provided to the CF Pivot Team for deployment to best meet the needs of the individual school sites based upon CSI identified student groups.
 - Resources (Human Capital) are provided to elevate school performance through sustainable strategies that have lasting effects beyond the expiration of funding.
- Site leader access to a District Administrative Support Team to take over their daily duties so they can engage in learning opportunities and actions that impact school improvements aligned to their CSI identified student groups (one-week notice).
- Professional learning for site leaders and teachers focused on CSI identified student groups.
- ATLAS Attendance Reports
- Quarter Grades and credits earned
- Quarterly data chats with students and staff
- Semester transitions of Senior Rough-Cats returning to home high school. Progress Report Monitoring AB1802 Conference
- Administrators Data Dashboard
- GOAL 2 Participation

-
- ATLAS Attendance Reports
- QuarterGrades and credits earned
- Quarterly data chats with students and staff
- Semester transitions of Senior Rough-Cats returning to home high school. Progress Report Monitoring AB1802 Conference
- Administrators Data Dashboard
- GOAL 2 Participation
- Additional Instructional Services for ALL students:
 - On-Line Credit Recovery labs (EDGEUNITY, APEX, ETC.) will be offered afterschool, CHS Night school, and/or Saturday School.
 - Supplemental Teaching contracts to support Cambridge Night School and Credit Recovery platforms. These contracts are designed to expand program opportunities for our students. These are critical areas of need for our districts severely credit deficient underserved students who have enrolled from their respective comprehensive high schools. These programs will be supported and aligned by the following:
 - **1. School site team works with CF Pivot Team to complete a root cause analysis and determine areas of need.**
 - **2. School site team works with CF Pivot Team to identify actions and metrics as part of the site leaders 6-8 week plan.**
 - **3. School site team and CF Pivot Team to learn together using an inclusive, improvement science model. They will be responsible to monitor SPSA actions and outcomes, and identify any additional needs to share with Cabinet for feedback and support to accelerate progress.**
 - Supplemental planning contracts to support teaching planning, and parent engagement. These contracts will support student achievement by increasing planning time to meet the needs of all students as related to MTSS Tier 1, Tier 2, and Tier 3 services. Additionally, contracts will be utilized to support parent engagement work such as Saturday Parent engagement sessions.
 - Budget line allocation to support ADMIN substitute for site administrators for professional development, conferences, and other off-site job related duties.
 - College, CTE, and Enrichment Field trips including transportation, admission, and meals to support College and Career Readiness and Enrichment experiences.
 - GED, HSET, and CHSP support materials and testing vouchers to support students with graduation preparation and response to DASS Graduation indicator.
 - AB1802 Conferences
 - Cambridge Student Success Plan meetings
 - Site based incentives for earning honor roll, merit list, and principals honor roll.
 - Site based incentives for students earning on-track for graduation status.
 - 21st century Online credit recovery opportunities during the instructional day such as EDGEUNITY, APEX, etc.
 - Guaranteed and Viable curriculum to support academic literacy and student success
 - Mobile computer labs to support on-line learning opportunities in the classroom.
 - Winter Session Physical Education class offered for credit recovery.
 - Spring Break and Saturday Physical Education course
 - Stand-up for Excellence incentives to recognize positive academic, citizenship, attendance, and campus culture contributions made by students, staff, and parents.
 - CTE summer time credit recovery opportunities using and taking part in career web-based graphic design, production, and marketing of T-shirts for school and district requests.
 - Supplies for CTE graphic design and production projects for CHS inks
 - CTE materials and supplies to support authentic learning and elective credit opportunities
 - Student success incentives for academic literacy, credit acceleration and recovery, SBAC growth, completion of graduation goals, positive attendance growth, etc.
 - Funds for Nutrition/Super Snack program for Cambridge Night School

- Cambridge Night School
- Nutrition and/or Super Snack program for Night School
- Field trips and other enrichment activities for 12th grade students
- Entrance Fees and transportation for field trips and other enrichment activities
- Bus tokens for school transportation
- **CIS Plan Development**
- Partnering with Stakeholders (site and district level)
- Conducting needs assessments and root cause analysis
- Reviewing/Identifying resource inequities
- Identifying evidence based interventions strategies
- Actions regarding use of data, plan implementation, plan monitoring, and evaluation of plan improvement efforts
- Capacity Building
- Professional learning rooted in the work specifically correlated to the CSI identification. Professional learning will include but not limited to Solution Tree PLC at Work, INACOL, RAPSA, Educational Elements, CCEA, CCIS, English Learner Group, etc.

Specify enhanced services for EL students:

- Individual and group attendance meetings for student and/or guardians
- Individualized support for EL students and families through home visits and related outreach services when needed.
- Cambridge Student Success plan development and implementation one time per quarter to show academic progress and goal setting.
- Student incentives for positive growth in attendance.
- Student incentives for GOAL 2 participation
- Technology for ELs

Specify enhanced services for low-performing student groups:

CSI Support Allocations targeted towards Graduation Rate:

- Coaching provided to site leaders to support change management and inclusive processes in the development of the site SPSA
- Utilization of evidence based strategies aligned to state identification.

- Site leader access to a District Administrative Support Team to take over their daily duties so they can engage in learning opportunities and actions that impact school improvements aligned to their CSI identified student groups (one-week notice).
- Professional learning for site leaders and teachers focused on CSI identified student groups.

Tier 2 Instructional Services

1. One on One Student Success Plan Meeting

- 2, AC's determine additional support needed to support student success
3. Academic Goal Setting Conference
4. Khan Academy Tutorials
5. Academic Mentoring
6. School to home communication
7. Technology support 1x1 devices to support credit recovery and other academic needs

Tier 3 Instructional Services

1. Parent conferences
2. School Social worker referral
3. Emminence Program Referral (if applicable)
4. Flexible Scheduling (If Needed)
5. SARB (If Needed)
6. Academic Mentoring

Explain the actions for Parent Involvement (required by Title I):

- Parent Engagement Functions including coffee hours, Sidewalk Coffee Chats, information night, etc.
- Bi-Weekly/Monthly parent engagement home visitations for selected students to share student transcript, schedule, bell schedule, and invitation to school events.
- Parent Participation funds for Math and Literacy nights in order to build fluency skills
- Parent Data Chats and Information events to improve overall parent attendance and support partnerships between home and school
- Principal, VP, GLA, Counselor and Office staff will work on developing more consistent communication system with parents.

Describe Professional Learning related to this action:

- Site and/or off-site professional learning to improve engagement and GOAL 2 participation for all students with the goal of improving attendance.
- AC site collaboration to improve GOAL 2 opportunities with the intent to improve attendance for all students.
- Site and/or social emotional professional development for staff and students to support an emotionally and physically safe learning environment.
- Site and/or off-site professional learning for students and/or staff in creating activities and events to connect students with school and encourage positive attendance.

Action 2

Title: Chronic Absenteeism

Action Details:

By the end of the 2019-2020 school year, Cambridge High School will improve attendance rate by 5%. This goal will be accomplished by implementing strategic interventions to engage and support all students to attend school daily. By creating individual connections with each student, the staff at Cambridge High School will break down the conditions that have failed students at their previous comprehensive high school by creating an emotionally and physically safe learning environment where students are connected to their school.
