[Local Control and Accountability Plan Community Engagement](#)

Fresno Unified School District values input from various stakeholders and uses this feedback throughout the development of the Local Control and Accountability Plan (LCAP). The LCAP is a plan that describes the district's overall vision for student success and includes investment actions aimed at improving student outcomes.

Listed below are dates for the LCAP community engagement workshops, where stakeholders can hear updates on initiatives, review districtwide student performance data and provide feedback that will help inform future investment priorities.
