

Local Control Funding Formula (LCFF) Guidance

Unit: 7090/7091

Local Control Funding Formula

LCFF Supplemental and Concentration Grant Funding is intended to provide supplemental services specifically for economically disadvantaged students, English Learners and Foster Youth. Funds may be used to support instruction, provide professional development, improve school climate, meet the social/emotional needs of students, or finance other priorities as detailed in the District's Local Control Accountability Plan (LCAP). Unit 7091 funds should be used only for English Learners, in support of language acquisition.
