<b>District Goals</b>	
<p>The purpose of the School Plan for Student Achievement is to provide a comprehensive document, including details of site planned actions and expenditures as they relate to the goals of Fresno Unified. The plan supports student outcomes and overall performance in connection with the District’s Local Control and Accountability Plan and in alignment with the District Goals supporting the expectations that all goals shall have objectives that are measurable, actionable and develop monitoring metrics to assess progress that guides program evaluation and resource allocation.</p>	
Student Goal	Improve academic performance at challenging levels
Student Goal	Expand student-centered and real-world learning experiences
Student Goal	Increase student engagement in their school and community
Staff Goal	Increase recruitment and retention of staff reflecting the diversity of our community
Family Goal	Increase inclusive opportunities for families to engage in their students’ education

**Centralized Services** - No Centralized Services are utilized at this time.

**Consolidated Program Assurances**

<p>The School Site Council (SSC) develops and revises the School Plan for Student Achievement (SPSA) and the corresponding budget to be presented for approval to the Board of Education of the Fresno Unified School District annually.</p>
<p>The SSC, and all advisory committees, are formed in accordance with procedures established by federal or state law and regulations, and with membership parity as mandated. The advisory committees provide input on the SPSA.</p>
<p>The principal is an active member of the SSC and participates in regularly scheduled meetings throughout the school year. Classroom teachers, school staff, parents and students (secondary level only) are also participating members.</p>
<p>The school’s SSC, staff and parents participate in a needs assessment to help guide SPSA development.</p>
<p>The members of the SSC, the school’s English Learners’ Advisory Committee (ELAC) and members of other advisory school committees receive information and data detailing the needs of students during the SPSA development process and the comprehensive needs assessment. Information for all significant subgroups includes the economically disadvantaged students, students with disabilities, gifted and talented students, English Learners, and foster youth.</p>
<p>School sites schedule SSC and ELAC meetings yearly to elect officers, designate representation for district meetings (DAC and DELAC), and provide input for the SPSA. ELAC may vote to consolidate with the SSC every two years.</p>
<p>Opportunities for parents to participate in the development of the SPSA are provided by all schools, as described in the Elementary and Secondary Education Act (federal law), California Education Code, and the policies and regulations of the Fresno Unified School District Board of Education. The SPSA includes strategies to improve parent involvement and examples of the Parent and Family Engagement Policy and the Parent-School Compact.</p>
<p>Strategies to improve student achievement, meet measurable objectives, provide high quality professional development, and support struggling students through the use scientifically-based research are included in the SPSA. The SPSA reforms and supplemental funding provide opportunities for all students to meet state standards by extending learning time, supporting grade-level and school-level student transitions and providing social-emotional supports for students.</p>
<p>The School Plan for Student Achievement is reviewed and revised during the first semester of each school year, and re-evaluated and re-written during the second semester of each school year for annual approval by the Board of Education.</p>

## McCardle Elementary 2021-2022 - SPSA

### Goal 1 - STUDENTS: Improve academic performance at challenging levels.

#### Needs Assessment

##### School Quality Review

##### School Level Dashboard

Goal 1 Metrics	Current Target	Actual	As Of	Target
I-Ready ELA D2 On Level		46.51 %	2020-2021	53.51 %
I-Ready Math D2 On Level		32.38 %	2020-2021	39.38 %

**Step 1:** After selecting metrics, analyze the current 'California School Dashboard', relevant site data, current SPSA, and current budget to conduct a review and analysis and answer the questions below.

**1** Review Current SPSA and Budget. Describe the overall implementation of each action and explain the effectiveness in achieving the expected outcomes for the metrics in this goal. Include actions that pertain to students, staff, or families as it relates to this goal and the aligned metrics.

#### I-Ready ELA D2 On Level

Actions currently working are the three tiered approach to improve Foundational Reading Skills and comprehension of complex text, common PLC formative assessments, reading intervention provided by the Certificated Tutor, the focus on providing personalized learning experiences where students reflect and own their learning, and the social emotional supports (RCA and Hand in Hand Mentor). Overall, students have shown site wide growth as indicated in growth in i-Ready Diagnostic 2 (19-20) to Diagnostic 2 (20-21) with an increase of students On Level or Above of 11.64% (from 34.87% to 46.51%). With the purchase of additional computers, all students have access to 1:1 ratio of technology and teachers have the necessary tools to support Distance/Simultaneous Learning. Currently, all other actions are working, have been impacted by Distance Learning, or there has not been enough data gathered to deem actions ineffective.

#### I-Ready Math D2 On Level

Actions currently working are providing learning opportunities related to conceptual understanding of mathematics, procedural skill and fluency, and application, high quality first instruction including whole group, cooperative/collaborative learning groups, and targeted small group instruction for at risk students, and the focus on providing personalized learning experiences where students reflect and own their learning. Overall, students have shown site wide growth as indicated in growth in i-Ready Diagnostic 2 (19-20) to Diagnostic 2 (20-21) with an increase of students On Level or Above of 3.97% (from 28.41% to 32.38%). With the purchase of additional computers, all students have access to 1:1 ratio of technology and

**2** Identify resource inequities or other key factors that contributed to the disproportionality of low-performing student groups as it relates to this goal.

#### I-Ready ELA D2 On Level

Many of our tier 3 students suffer from trauma, especially in light of the COVID-19 pandemic. Our staff is lacking the tools and staffing to fully address the social-emotional supports needed to assist these students. Along with the academic supports students are receiving, they need additional SEL support. 21.82% of English Learners are On Grade Level or above as compared to 46.51% schoolwide on i-Ready Diagnostic 2. English Learner students need to be a targeted subgroup for interventions and support.

#### I-Ready Math D2 On Level

Many of our tier 3 students suffer from trauma, especially in light of the COVID-19 pandemic. Our staff is lacking the tools and staffing to fully address the social-emotional supports needed to assist these students. Along with the academic supports students are receiving, they need additional SEL support. 11.32% of English Learners and 14.29% of African American students are On Grade Level or above as compared to 32.38% schoolwide on i-Ready Diagnostic 2. English Learners and African American students need to be targeted subgroups for interventions and support.

#### English Learners:

The majority of our EL students are ELD Levels 1 and 2. We are not consistent with monitoring English Learner students and need to make it a priority when discussing students during PLC data analysis. Professional Learning is needed to ensure teachers are providing both integrated and designated English Language Development consistently and that English Learners are being provided equitable access to the

teachers have the necessary tools to support Distance/Simultaneous Learning. Currently all other actions are working, have been impacted by Distance Learning, or there has not been enough data gathered to deem actions ineffective.

**English Learners:**

The current Redesignation Rate is 10.4% as compared to 3.1% last year and 18.8% the previous year. i-Ready Diagnostic 2 demonstrates that 12/55 (21.82%) are on grade level or above, 11/55 (20%) are one grade level behind, and 32/55 (58.18)% are two or more grade levels behind in Reading and 6/53 (11.32%) are on grade level, 19/53 (35.85%) are one grade level behind, and 28/53 (52.83%) are two or more grade levels behind in Math. English Learners are significantly disproportionate to schoolwide rates. The impact of students using Imagine Learning is not yet known as ELPAC results are not yet available.

Standard Instructional Program

**Step 2:** For the current year, briefly describe any major differences between the intended and actual implementation of actions and budget expenditures to meet this goal.

A major plan shift occurred because of the COVID-19 pandemic. The Certificated Tutor provided reading intervention to 1st and 2nd grade students rather than K-4. Actions and budget expenditures related to substitutes were shifted towards purchasing more technology and materials to support Distance/Simultaneous Learning.

**Step 3:** As a result of the analysis from Steps 1 and 2, describe any changes that will be made (next school year) in this goal, annual metrics, and actions to achieve this goal. Identify where those changes can be found in the upcoming 2021-2022 SPSA.

Budget modifications for next year may include adding FTE or contracts for additional English Learner, African American, and social-emotional support. Change in actions will be found in Goal 1.

**Step 4:** Stakeholder Involvement. Share the data and analysis with the School Site Council (SSC), English Learner Advisory Committee (ELAC) and school staff, as required. Record feedback and suggestions from each group below.

**1** SSC:

All families were encouraged to complete a survey regarding the SPSA. Results included: Continue actions for ELA and math. Consider providing more supports for English Learners and African American students and social-emotional supports as funds allow.

**2** ELAC:

All families were encouraged to complete a survey regarding the SPSA. Results included: Continue actions for ELA and math. Consider providing after school tutoring for English Learners.

**3** Staff:

All staff were asked to complete a survey regarding the SPSA. Results included: Continue actions for ELA and math. Consider adding additional SEL and English Learner supports.

## Action 1

Title: ELA Academic Performance

### Action Details:

McCardle Elementary will implement a comprehensive reading program with a three tiered approach to improve Foundational Reading Skills and comprehension of complex text. Professional Learning Communities will analyze Common Formative Assessments to measure student demonstration of mastery of standards and determine appropriate intervention and enrichment. The school will utilize a Certificated Tutor, iReady ELA, and Wonderworks intervention materials, along with the Wonders curriculum, to provide differentiated reading intervention in reading Foundational Skills and comprehension strategies. Hand in Hand Mentors will support students with academics, behavior, and social emotional needs.

Reasoning for using this action:  Strong Evidence  Moderate Evidence  Promising Evidence

### Explain the Progress Monitoring and data used for this Action

#### Details: Explain the data which will specifically monitor progress toward each indicator target

Teachers and students will set and monitor goals. Administrators and teachers will analyze site, district, and SBAC results to improve instruction and increase academic achievement in ELA:

- SBAC
- Foundational Skills Assessment (FSA)
- i-Ready Diagnostic administrations
- Common Formative Assessments
- Intervention Progress Monitoring
- IEP Progress Monitoring
- Grades
- Power BI
- Classroom walkthroughs and feedback (including IPG tool data)

#### Timeline:

**District Assessments:** Quarterly  
**Grade Level Assessments:** Weekly  
**Progress Monitoring:** Weekly/Monthly

#### Describe Direct Instructional Services to students, including materials and supplies required (curriculum and instruction):

- Tier 1: Quality first teaching based on standards, student goal setting, checking for understanding, implementation of Classroom Foundations/Accountable Community Foundations, and use of formative assessments
- Tier 1 & 2: Inclusive Practices to increase mainstreaming time for SPED students and to provide all students equitable access to succeed
- Tier 1 & 2: PLC Teams will continue to improve instructional supports and provide intervention through the RTI process
  - Students in grades K-4 will receive differentiated small-group instruction, by grade level, utilizing a Certificated Tutor for a minimum of 30 minutes daily. The teacher will be the primary provider of small group intervention lessons and the tutor will assist with Foundational Skill building activities and supplemental intervention or enrichment in areas of need.
  - Teachers will provide additional interventions to identified African American, EL students, foster, and economically disadvantaged

- Tier 2 & 3: McGraw Hill Wonderworks intervention program may be utilized to support individual student needs and connections to the Guaranteed and Viable Curriculum and Common Core State Standards.
- Tier 1, 2 & 3: iReadyReading adaptive literacy program will be utilized to provide personalized instruction targeted to students' unique areas of needs.
- Tier 1 & 2: Differentiated instruction in grades K-1 through online subscriptions to early learning adaptive literacy software Headsprout to support the individualized needs of students to improve reading skills and comprehension
- Tier 1: Classroom Magazine subscriptions to support the individualized needs of students to improve reading skills and comprehension and allow for annotation of text
- Tier 1 & 2: School site licenses for Brainpop, Generation Genius, and Nearpod Library to support academic achievement
- Tier 1: Increase the digital literacy of students in alignment with the Technology standards
- Tier 1, 2 & 3: Hand in Hand Mentors to support students with academics, behavior, and social emotional needs
- Tier 2 & 3: Students will be referred to the Student Success Team when necessary to determine Tier 2 and Tier 3 intervention supports
- Tier 1: Student data chats and goal setting will be conducted by classroom teachers
- Tier 1, 2 & 3: Classroom materials and supplies – including notebooks, paper, pencils, pens, markers, crayons, and other associated items to support reading instruction, reading intervention program needs, and allow for annotation of text
- Tier 1, 2 & 3: Technology to support student reading and assessment program (carts, printer, or other supplies as needed to complete the program needs of students) including maintenance/repair of technology

Specify enhanced services for EL students:

- Professional learning plan to address:
  - basic EL information (EL data resources, ELPAC information, redesignation criteria)
  - school wide designated and integrated ELD instruction using the CAELD standards
  - interventions for EL students that are at-risk and/or LTELs (Long Term English Learners)
  - process for monitoring at risk and/or LTELs
  - supports to newcomer ELs
- Funding to increase parent communication and engagement that supports home language communications i.e. translating, interpreting, home contact, etc.
- Ensuring access to higher level instruction for English Learners (Equity in process and entry into GATE).
- Supplemental educational software/online programs designed specifically for ELs

Specify enhanced services for low-performing student groups:

- African American students will be connected to Hand in Hand mentors which will support their SEL needs.
- African American students will have the opportunity to participate in BSU Club to support making connections with students and Club Sponsors.
- After school tutoring for select identified African American students.

## Action 2

**Title:** Math Academic Performance

Action Details:

McCardle Elementary will provide comprehensive balanced mathematical instruction through learning opportunities related to conceptual understanding of mathematics, procedural skill and fluency, and application. Teacher learning/support will be provided through development and refinement of high quality first instruction, focusing on the eight mathematical practices and making connections to content. Student learning/support will be based on whole group instruction, cooperative/collaborative learning groups, and targeted small group instruction for at risk groups with an emphasis on technology to improve mastery of grade level standards. Hand in Hand Mentors will support students with academics, behavior, and social emotional needs.

**\$1,250.00**

**Goal 3 - STUDENTS: Increase student engagement in their school and community.**

**Needs Assessment**

**School Quality Review**

School Level Dashboard

Goal 3 Metrics	Current Target	Actual	As Of	Target
Chronic Absenteeism		13.05 %	2020-2021	11.05 %
Suspensions students with 1 or more		0.39 %	2020-2021	0.39 %

**Step 1:** After selecting metrics, analyze the current 'California School Dashboard', relevant site data, current SPSA, and current budget to conduct a review and analysis and answer the questions below.

**1** Review Current SPSA and Budget. Describe the overall implementation of each action and explain the effectiveness in achieving the expected outcomes for the metrics in this goal. Include actions that pertain to students, staff, or families as it relates to this goal and the aligned metrics.

**Chronic Absenteeism**

McCardle provides a schoolwide reward/incentive attendance program for 100% classroom attendance and students with perfect attendance. The chronic absentee rate is currently 12.5% as compared to 11.8% in the 2019-2020 school year. Kindergarten (16.1%), 2nd (19.2%), 3rd (14.3%) students have chronic absenteeism rates higher than the school average. English Learners had a rate of 7% which is well below the school average. Truancy letters are mailed automatically. The Office Assistant contacts parents of absent students daily. Attendance review conferences were not held with parent, student, and administration signing a contract to improve attendance as frequently. Saturday Academy was not offered this year to allow students to recover absences.

**Suspensions students with 1 or more**

McCardle implements a three tiered system of responses to misbehaviors. When students commit a level 3 infraction and suspension is appropriate, they are suspended. Suspensions per 100 students is at .04% as compared to 5.66% in the 2019-2020 school year. We continue to implement proactive strategies and attempt to de-escalate rather than be reactive. The Hand in Hand Mentor and the Resource Counseling Assistant provide individual and small group behavior interventions/social skills support virtually. When appropriate, Respect Agreements are established for those in conflict.

**2** Identify resource inequities or other key factors that contributed to the disproportionality of low-performing student groups as it relates to this goal.

**Chronic Absenteeism**

Special Education rate is 15.4% which may be impacted by health reasons. Although school staff makes effort to educate Kindergarten and early learning parents of the importance of being in school, since Kindergarten is not mandated, there are no consequences for chronic absenteeism. Students' social emotional needs may have impacted their ability to attend school regularly.

**Suspensions students with 1 or more**

Sixth grade students have the highest suspension rate at 3.51% (only grade level with any suspensions this year).

**Step 2:** For the current year, briefly describe any major differences between the intended and actual implementation of actions and budget expenditures to meet this goal.

Chronic absenteeism and suspensions may have been directly impacted by Distance Learning. The increase in Chronic Absenteeism may have been impacted by Distance Learning and the need for families to provide students with access to teaching and learning from home. The decrease in suspensions was impacted by Distance Learning as students did not return to campus until after Spring Break and any misbehaviors occurred in the home. All meetings with parents and student regarding absenteeism and behaviors were conducted virtually. Reward/incentive programs were not able to be administered with fidelity due to Distance Learning.

**Step 3:** As a result of the analysis from Steps 1 and 2, describe any changes that will be made (next school year) in this goal, annual metrics, and actions to achieve this goal. Identify where those changes can be found in the upcoming 2021-2022 SPSA.

McCardle will add one Hand in Hand Mentor to support students with academic, attendance, and social-emotional needs. See Goal 3.

**Step 4:** Stakeholder Involvement. Share the data and analysis with the School Site Council (SSC), English Learner Advisory Committee (ELAC) and school staff, as required. Record feedback and suggestions from each group below.

**1** SSC:

All families were encouraged to complete a survey regarding the SPSA. Results included: Continue all actions and consider adding an additional mentor to support academics, attendance, and behavior.

**2** ELAC:

All families were encouraged to complete a survey regarding the SPSA. Results included: Continue all actions.

**3** Staff:

All staff were encouraged to complete a survey regarding the SPSA. Results included: Make positive connections with students and teach children to love to learn. Continue to have staff serve as morning greeters as students enter the campus. Continue to implement Second Step lessons, Weekly Class Meetings, and Morning Meetings. Consider hiring an additional mentor to support academics, attendance, and behavior.

- School Messenger and/or Class Dojo will be utilized to contact parents regarding attendance.

### Action 3

**Title:** SEL and Behaviors

Action Details:

McCardle Elementary will implement a tiered level of response to behavior incidents and a Character Counts building program to reduce suspension rates, lessen distractions for all learners, enhance campus safety for all students, and moderate behaviors of students resulting in fewer conflicts with staff and other students. The Climate & Culture team will meet monthly to review data and determine actions to support a positive school climate. A Resource Counseling Assistant will provide an alternative recess location, individual and small group social/emotional supports, along with positive connections with an adult. Mentors will develop relationships with students and families to support increased academic achievement, improved attendance, and improved behaviors.
