WE NEED INPUT FROM YOU! OUR EDUCATIONAL PARTNERS

**Objective:**

Collect input from a diverse group of school and community representatives, to help refine district plans to improve student outcomes

**Education Code: 52060**

The governing board of a school district shall consult with teachers, principals, administrators, other school personnel, local bargaining units of the school district, parents, and pupils in developing a local control and accountability plan.
WHAT IS THE LCAP?

Local Control and Accountability Plan (LCAP)

- Three-year plan
- Structure provided by the California Department of Education
- Reflects District’s Values
- Outlines Goals, Actions and Expenditures
- Requires the District work with staff, students, families and the community
- Adopted for the upcoming year by the District’s Board in June

The District’s full LCAP Plan can be found here: https://stafed.fresnounified.org/lcap/
Because of the length and complexity of the District's LCAP, a short summary was created with key information. This document is called the LCAP Executive Summary. Beginning this year, copies of this summary can be found in English, Spanish and Hmong at Fresno Unified school sites.
The Local Control Funding Formula is the formula that the State of California uses to provide funding for school districts. It represents almost 60% of the District’s General Fund.

**Base Grants**
LCFF provides a base grant, which funds basic educational costs, such as teacher salaries, retirement costs, instructional materials, etc.

**Supplemental Grants***
LCFF provides additional grants which equate to 20% above the base grant for students living in disadvantaged circumstances: English learners, foster youth, and students living in poverty.

**Concentration Grants***
In districts where at least 55% of students are disadvantaged, LCFF provides an additional grant which equates to 50% above base funding.

*These funds must be used to increase or improve services for English learner, foster youth, and low income students.

**Students Living in Disadvantaged Circumstances**
- English Learner 17.5%
- Economically Disadvantaged 85.0%
- Foster Youth 1.0%

If a student falls in one of these three categories, they are considered a student living in disadvantaged circumstances.
WHAT IS THE LOCAL CONTROL FUNDING FORMULA?

**Local Control Funding Formula - LCFF**

- **Federal**: $342,818,761
- **State**: $257,589,458
- **Local**: $21,913,286
