<b>District Goals</b>	
<p>The purpose of the School Plan for Student Achievement is to provide a comprehensive document providing details of site planned actions and expenditures as they relate to the goals of Fresno Unified. The plan supports student outcomes and overall performance in connection with the District’s Local Control and Accountability Plan and in alignment with the Four District Goals supporting the expectation that all students will be in school, on time and ready to learn every day.</p>	
1.	All students will excel in reading, writing and math.
2.	All students will engage in arts, activities and athletics.
3.	All students will demonstrate the character and competencies for workplace success.
4.	All students will stay in school on target to graduate.

**Centralized Services** - No Centralized Services are utilized at this time.

**Consolidated Program Assurances**

<p>The School Site Council (SSC) develops and revises the Single Plan for Student Achievement (SPSA) and the corresponding budget to be presented for approval to the Board of Education of the Fresno Unified School District annually.</p>
<p>The SSC, and all advisory committees, are formed in accordance with procedures established by federal or state law and regulations, and with membership parity as mandated. The advisory committees provide input on the SPSA.</p>
<p>The principal is an active member of the SSC and participates in regularly scheduled meetings throughout the school year. Classroom teachers, school staff, parents and students (secondary level only) are also participating members.</p>
<p>The school's SSC, staff and parents participate in a needs assessment to help guide SPSA development.</p>
<p>The members of the SSC, the school's English Learners' Advisory Committee (ELAC) and members of other advisory school committees receive information and data detailing the needs of students during the SPSA development process and the comprehensive needs assessment. Information for all significant subgroups includes the economically disadvantaged students, students with disabilities, gifted and talented students, English Learners, and foster youth.</p>
<p>School sites schedule SSC and ELAC meetings yearly to elect officers, designate representation for district meetings (DAC and DELAC), and provide input for the SPSA. ELAC may vote to consolidate with the SSC every two years.</p>
<p>Opportunities for parents to participate in the development of the SPSA are provided by all schools, as described in the Elementary and Secondary Education Act (federal law), California Education Code, and the policies and regulations of the Fresno Unified School District Board of Education. The SPSA includes strategies to improve parent involvement and examples of the Parent Involvement Policy and the Parent-School Compact.</p>
<p>Strategies to improve student achievement, meet measurable objectives, provide high quality professional development, and support struggling students through the use scientifically-based research are included in the SPSA. The SPSA reforms and supplemental funding provide opportunities for all students to meet state standards by extending learning time, supporting grade-level and school-level student transitions and providing social-emotional supports for students.</p>
<p>The Single Plan for Student Achievement is reviewed and revised during the first semester of each school year, and re-evaluated and re-written during the second semester of each school year for annual approval by the Board of Education.</p>

## Robinson Elementary 2019-2020 - School Plan for Student Achievement (SPSA)

### Goal 1 - All Students will excel in reading, writing and math

#### Needs Assessment

##### School Quality Review

##### School Level Dashboard

Goal 1 Metrics	Current Target	Actual	As Of	Target
SBAC ELA 3-8, 11 - Meets or Exceeds Standards (grades 3-11)	40.333 %	39.827 %	2017-2018	46.827 %
SBAC Math 3-8, 11 - Meets or Exceeds Standards (grades 3-11)	32.385 %	26.522 %	2017-2018	35.5 %

**Step 1:** After selecting metrics, analyze the current 'California School Dashboard', relevant site data, current SPSA, and current budget to conduct a review and analysis and answer the questions below.

**1** Review Current SPSA and Budget. Describe the overall implementation of each action and explain the effectiveness in achieving the expected outcomes for the metrics in this goal.

#### **SBAC ELA 3-8, 11 - Meets or Exceeds Standards (grades 3-11)**

2018-2019 Interim 2 results: ELA 46.3% overall-up 9% from Interim 2 in the 17-18 school year

After School tutoring in grades K-6. Focus on students that nearly met standards or need reteaching.

Based on analysis of interim data, increased need for using CFA data to monitor students for RTI/MTSS.

#### **SBAC Math 3-8, 11 - Meets or Exceeds Standards (grades 3-11)**

2018-19 Interim 2 results: Math 47.8% overall-up 18% from Interim 2 in the 17-18 school year

18-19- the focus has been on setting goals for students on Math Fluency and recognizing students achieving the goal.

Teachers have been working on CFA's on the computer for Math, but not consistently using the data for intervention.

Based on analysis of interim data, increased need for using CFA data to monitor students for RTI/MTSS.

**2** Identify resource inequities or other key factors that contributed to the disproportionality of low-performing student groups.

#### **SBAC ELA 3-8, 11 - Meets or Exceeds Standards (grades 3-11)**

Robinson's significant subgroups include: Hispanic, EL, Black

In the area of ELA the percentage of Hispanic students meeting or exceeding standards is comparable to the overall percentage.

In the area of ELA the percentage of African American (18.6 which is an 8% gain from last year) and EL (3.8%) students scored significantly below our overall percentage.

Key factors are reading intervention for ALL students, however not specifically for African American. Robinson needs to pull students for intervention with a focus on African American and EL, based on need. Robinson has Library after school tutoring with focus on students who nearly met standards.

#### **SBAC Math 3-8, 11 - Meets or Exceeds Standards (grades 3-11)**

Robinson's significant subgroups include: Hispanic, EL, Black

In the area of MATH the percentage of Hispanic students meeting or exceeding standards is comparable to the overall percentage.

In the area of MATH the percentage of EL students meeting or exceeding standards is significantly below our overall percentage. Key factors are limited math intervention for this subgroup. Need to pull EL students

for intervention, based on need.

In the area of MATH the percentage of Black students meeting or exceeding standards is below the overall percentage. It decreased last year from 20.6 to 17.9

**Step 2:** Briefly describe any major differences between the intended and actual implementation of actions and budget expenditures to meet this goal.

Items funded from Title 1:

Home School Liaison

Teaching Fellows

These items have had positive impact on student achievement and we found a need to change the Teaching Fellows from 2 five hour to 3 3.5 hour so that each grade (1-6) will have an intervention block with support.

Home School Liaison has kept our families involved in getting students to school and keeping communication open with our parents. She has assisted in translating at academic meetings for our EL students so parents know how to help their students.

**Step 3:** As a result of the analysis from Steps 1 and 2, describe any changes that will be made in this goal, annual metrics, and actions to achieve this goal. Identify where those changes can be found in the upcoming 2019-2020 SPSA.

We are changing the teaching fellow schedule from two 5 hour positions to three 3.5 hour positions. This will allow all 1-6 grade class to have extra support during the intervention block.

**Step 4:** Stakeholder Involvement. Share the data and analysis with the School Site Council (SSC), English Learner Advisory Committee (ELAC) and school staff, as required. Record feedback and suggestions from each group below.

**1** SSC:

On 2018-2019 SPSA Goal in ELA and Math is to increase by 9% in ELA and 7% in Math. Our Interim 2 data indicates growth of at least 11% in ELA and 5% in Math as compared to interim 2 last year.

Maintain class set of tablets for 1st-6th grade and 6 tablets for centers for grades 1 and kindergarten. Allow students to become proficient in using technology.

After school tutoring for all grades by the classroom teacher.

**2** ELAC:

Maintain class sets of tablets for 1st-6th and 6 tablets for centers for kindergarten. Allow for students to become proficient in using technology.

After school tutoring for all grades by the classroom teacher.

Reflex Math to improve student fluency also allows students to work on it at home.

**3** Staff:

Staff input from each certificated staff regarding priority of interventions.

Re-structure RTI for all grades

3 teaching fellows 3.5 hours for reading intervention Tier 3 Push in for grades 1 & 2 & upper grade where needed.

Maintain class set of tablets for 1st through 6th and 6 tablets for centers for kindergarten. Allow for students to become proficient in using technology.

Continue funding Certificated Tutor to support intervention

6 hour Resource Counseling Assistant instead to support students social emotional.

Reflex Math to improve student fluency also allows students to work on it at home.

Continue to fund Certificated Tutor to support intervention

6 hour Resource Counseling Assistant instead to support students social emotional.

## Action 1

**Title:** Action 1: English Language Arts

### [Action Details:](#)

Robinson Elementary school will provide all students with high quality instruction and work towards a goal of every student advancing a minimum of 1 grade level per year in the content area of English and Language arts as evidenced by student reading and writing.

Robinson will implement an intervention plan, by grade level, utilizing Teaching Fellows, paraprofessionals, and supplemental teacher contracts to provide RTI support to students in the classroom, during lunch time and after school. The teacher will be the primary provider of small group intervention lessons. Tutors will assist with foundational skill building activities, homework/classwork support and supplemental intervention in areas of need. ELA instruction and Intervention will be designed to support the needs of students not meeting grade level standards in reading and writing, or providing enrichment for those students who have achieved mastery. Student need will be determined by using common formative assessment, DRP, Interim, CAASP, KAIG, BPST and BAS assessments as well as teacher input and student grades

**Details: Explain the data which will specifically monitor progress toward each indicator target**

- AC's will plan common formative assessments aligned to focus standards.
- AC's will collaboratively review data and plan RTI for students.
- AC's and Lead Teachers will conduct CCI process once per quarter to monitor student progress and identify instructional needs.
- Systematic intervention groups will be formed based on student needs in relation to standards.
- DRP Assessments
- Basic Phonics Skill Test
- Interim Assessments
- KAIG/BAS (Kindergarten)
- BAS/Fluency (1 )
- SBAC Assessment
- AC's review student work samples aligned to standards. Plan grade level RTI based on student learning outcomes.
- PL by AC once per quarter as part of CCI process.
- School writing protocol ( aligned with The Write Tools) providing a common writing structure for all students.
- Student grades will be monitored by teachers, administration and parents to ensure growth and targeting of students with D's and/or F's for academic support.

**Describe Direct Instructional Services to students, including materials and supplies required (curriculum and instruction):**

- Technology will be purchased to support our goal of every student reading at or above grade level. This will include but not limited to computers, laptops, computer carts, printers, or other supplies to complete the program needs of students including maintenance and repair of technology.
- Classroom instruction will be formulated using the FUSD adopted curriculum.
- Increase the use and availability of technology in support of digital literacy for students in alignment with the State Standards for Technology.
- Tier 1 support: Teachers will utilize the FUSD Scope and Sequence to align instruction with the Common Core State Standards.
- Tier 2 Support: Grades 1-6, an RTI model will be implemented as part of a daily schedule in addition to core instruction. Progress will be monitored by site identified formative and summative assessments quarterly.
- Tier 3 support: students not meeting grade level standards will be referred to Student Study Team for additional support.
- Teaching Fellows and paraprofessionals will be utilized during the ELA block to provide targeted instruction on specific areas of student need. These students will have priority for after school support.

- Students in grades 1 – 6 scoring significantly below grade level will be evaluated through SST.
- Students in 1st-6th grade will be provided in class intervention/deployment in the area of reading based on CFAs, Interim, and/or BAS assessment results with Tier 2 support.
- Student organization through purchase of agendas and appropriate materials and supplies.
- Intervention will be prescribed to students based on assessed needs utilizing BPST, BAS, KAIG, DRP, ELA/Math Interim Assessment, ELA/Math grades, and common grade level formative assessments.
- Tutoring/Intervention support from teachers and teaching fellows based on student assessed needs or academic areas of concern. Teachers to provide additional interventions to identified EL students, foster, and economically disadvantaged.
- Resource Counseling Assistant (RCA) to provide social-emotional support for students throughout the day - grades TK-6. Students referred through teachers and administrators in collaboration. Alternative recess to support students for various needs Tier 2 support.
- After school tutoring for select students through the Extended Learning After School Library Program for identified students (Focus on African American, Foster Youth, EL's & Economically disadvantaged)
- Classroom materials and supplies – including notebooks, paper, pencils, pens, markers, crayons, and other associated items to support reading instruction, reading intervention program needs, and allow for annotation of text
- Sensory tools to support behavior and attention to learning
- As funds are available, purchase support materials such as software/online subscriptions, periodicals, and supplemental complex reading materials to improve reading.

#### Specify enhanced services for EL students:

---

- EL students will also receive extra targeted instruction to support reading comprehension.
- The Certificated Tutor and teacher will use the Goal Setting Tools to guide instruction and intervention.
- Student DRP data chat and goal setting will be provided in the classrooms by teachers and for EL students by cert. tutor.
- Coffee Hour. Parent University and ELAC meetings will dedicate time and resources to supporting parents of ELL students.

#### Explain the actions for Parent Involvement (required by Title I):

---

- Teachers will review each student's reading levels/scores during Parent/Teacher Conference in October
- Each teacher will provide a review of the EDUTEXT & Parent Portal during Back to School Night and fall Parent Conferences.
- Robinson families will be provided a Student/Parent Handbook at the beginning of the year, and at enrollment for new students
- Quarterly Progress Reports
- Quarterly Report Cards Information will be printed in English and Spanish to explain the intervention program and be provided to parents
- weekly newsletter & school website informing parents of upcoming school events and activities
- SSC/ELAC/PTA meetings will be scheduled throughout the school year. Meeting information will be distributed through parent flyers, postings, school website, and School Messenger
- Parent University
- Parent Coffee Hours to provide information and support for families and build relationships/communication between home and school.

#### Specify enhanced services for low-performing student groups:

---

- Grades 1-6, an RTI model will be implemented as part of a daily schedule in addition to core instruction. Progress will be monitored by site identified formative and summative assessment quarterly.
- Teaching Fellows and paraprofessionals will be utilized during the ELA block to provide targeted instruction on specific areas of student need. These students will have priority for after school support.
- Students in grades 1 – 6 scoring significantly below grade level will be evaluated through SST to determine if they should participate in RTI with Tier 2 support.
- Students in 1st-6th grade will be provided in class intervention/deployment in the area of reading based on CFAs, Interim, and/or BAS assessment results with Tier 2 support.
- Intervention will be prescribed to students based on assessed needs utilizing BPST, BAS, KAIG, DRP, ELA/Math Interim Assessment, ELA/Math grades, and common grade level formative assessments.
- Tutoring/Intervention support from teachers and teaching fellows based on student assessed needs or academic areas of concern. Teachers to provide additional interventions to identified EL students, foster, and economically disadvantaged.
- Resource Counseling Assistant (RCA) to provide social-emotional support for students throughout the day - grades TK-6. Students referred through teachers and administrators in collaboration. Alternative recess to support students for various needs Tier 2 support.
- After school tutoring for select students through the Extended Learning After School Library Program for identified students (Focus on African American, Foster Youth, EL's & Economically disadvantaged)

#### Describe Professional Learning related to this action:

---

- Professional learning calendar will utilize 45 hours to provide staff training in the areas of challenging content tenants 1-3 of the Instructional Practice Guide in ELA and Math.
- Alignment of classroom grades and formal assessments
- Consistency of grading school wide, specifically D's and F's (alignment of when students receive a zero)
- Digital Literacy to enhance instruction, increase students time with technology, and online classroom assessments
- Data Analysis aligned to online classroom assessments and district assessments
- Assessments - classroom, district, state
- Substitutes for teachers for SST's, IEP's, data chats, and peer observations. This time will allow teachers to collaborate, co-plan, observe each other, develop assessments, and develop interventions.
- Supplemental Contracts or subs for Accountable Community teams' Scope and Sequence planning, focusing on the four commitments and to design units of study and performance tasks that align with State Standards and incorporate scaffolds for academic language.
- AC – PL protocol to be used once per quarter. Teachers will share planning, common formative

- Parents will also be invited to student celebrations/recognition assemblies and programs throughout the year
- Parents will collaborate with the school through the use of student agendas/planners, grades 4-6

assessments, student artifacts and intervention plan with colleagues as part of job embedded shared learning, professional development and CCI.

- Hoover Region will continue to collaborate during Buyback Days
- PL books with academic focus, behavioral strategies, and instructional strategies
- SST referral process
- As funds allow, provide funding for training and conferences for the Robinson staff to improve reading instruction
- Provide sub days for grade level planning..

The following will be provided to further support students and families:

- Student Success Team (SST) Meetings
- Individualized Educational Plan (IEP) Meetings for students identified with learning disabilities- annually
- The Rehabilitation Act of 1973, Section 504 Meetings for students identified with a physical or mental disability which limits learning- annually

## Action 2

**Title:** Action 2: Math

### [Action Details:](#)

Robinson Elementary school will provide all students with high quality instruction and work towards a goal of every student advancing a minimum of 1 grade level per year in the content area of Math using the District Guaranteed and Viable Curriculum of Go-Math.

Robinson will implement an intervention plan, by grade level, utilizing Teaching Fellows, paraprofessionals, and supplemental teacher contracts to provide RTI support to students in the classroom, during lunch time and after school. The teacher will be the primary provider of small group intervention lessons from the Go-Math curriculum. Tutors will assist with math activities in the areas of math fluency, homework/classwork support and supplemental intervention in areas of need. Math instruction and Intervention will be designed to support the needs of students not meeting grade level standards, and to provide enrichment for those students who have met the standard. #### Describe Professional Learning related to this action:

---

- Ongoing Professional Development and side-by-side learning with AC Teams and Administration around tenets of Instructional Practice Guide to support teachers in providing high quality instruction to students.
- Professional learning calendar will utilize 45 hours to provide staff training in the areas of challenging content tenants 1-3.
- Supplemental Contracts or subs release time for Accountable Community teams' to engage in CCI process, plan math units of instruction using scope and sequence and quarterly planning guide, and design a system for students to use modeling/visual representations on a consistent basis to demonstrate understanding of mathematical concepts.
- Each grade level AC will identify for Math the essential learning/focus standards of each unit of instruction and use this information design instruction, assessments, and intervention for student.
- AC – PL protocol to be used once per quarter. Teachers will share planning, common formative assessments, student artifacts and intervention plan with colleagues as part of job embedded shared learning, professional development and CCI.
- Ensuring conceptual understanding of mathematics, procedural skill and fluency, and application
- Alignment of classroom grades and formal assessments
- Consistency of grading school wide, specifically D's and F's (alignment of when students receive a zero).
- Analysis of student work to determine individual student need
- Substitutes for teachers for SST's, IEP's, data chats, and peer observations
- Substitutes and/or supplemental contracts for teachers for instructional planning ILT members will analyze data, determine needs, plan for action, and engage in planning in support of leading their accountable community
- As funds allow send teachers to math conferences/training to improve math instruction.

### Action 3

Title: Action 3: EL Re-designation

#### Action Details:

Robinson Elementary will implement a plan to ensure that students will move at least one level per year on the ELPAC and DRP or be re-designated. A .4375 FTE Certificated Tutor will provide designated English Language Development for 30 minutes a day for all English Language Learners.

AC Teams will continue to implement a focus around key instructional strategies for ELD including: text deconstruction-reconstruction, academic language, and talk moves. AC Teams will also plan instructional strategies around FUSD Commitment #1 for our EL students with a strong focus on student talk and task. Funds will be set aside for ELPAC assessors.

ELA scores on SBAC for EL students will move from 3.8 to 14%

**Needs Assessment**

**School Quality Review**

School Level Dashboard

Goal 2 Metrics	Current Target	Actual	As Of	Target
Goal 2 Participation Rate	59.998 %	51.042 %	2017-2018	58.042 %

**Step 1:** After selecting metrics, analyze the current 'California School Dashboard', relevant site data, current SPSA, and current budget to conduct a review and analysis and answer the questions below.

**1** Review Current SPSA and Budget. Describe the overall implementation of each action and explain the effectiveness in achieving the expected outcomes for the metrics in this goal.

**Goal 2 Participation Rate**

Students in Gr. 4-6 have an opportunity to participate in sports  
 Students in Gr. 5-6 have an opportunity to participate in Safety Patrol.  
 Students in Gr. 3-6 have an opportunity to participate in Cross Country.  
 Students in Gr. 2-6 have an opportunity to participate in Music  
 Students in Gr. 3-6 have an opportunity to participate in Student Council

Will increase after school arts/activities/athletics by having teachers/classified staff teach after school clubs of their choice with supplemental contracts.

Clubs are announced at recess and during morning announcements. Students are given opportunities to participate in a variety of clubs, including but not limited to, gardening, science, sports, etc. This has resulted in an increase in Goal 2 participation.

**2** Identify resource inequities or other key factors that contributed to the disproportionality of low-performing student groups.

**Goal 2 Participation Rate**

All students have an opportunity to participate regardless of ethnicity, so disproportionality is not a factor for any significant subgroups. Engagement opportunities are during the school day, as well as after school.

**Step 2:** Briefly describe any major differences between the intended and actual implementation of actions and budget expenditures to meet this goal.

Need to clarify data entry for engagements - if attendance is not taken for each event, some data is off set.

Actual school Goal 2 participation in 2018-2019 is currently at 98.33%.

Budget expenditures are adequate to meet the needs of Goal 2

**Step 3:** As a result of the analysis from Steps 1 and 2, describe any changes that will be made in this goal, annual metrics, and actions to achieve this goal. Identify where those changes can be found in the upcoming 2019-2020 SPSA.

Teachers will be required to enter all data for their individual clubs, sports, events to increase accurate data.

**Step 4:** Stakeholder Involvement. Share the data and analysis with the School Site Council (SSC), English Learner Advisory Committee (ELAC) and school staff, as required. Record feedback and suggestions from each group below.

**1** SSC:

Continue to increase opportunities for students to participate in after school opportunities.

Continue after school tutoring both in primary and upper grade.

**2** ELAC:

After school activities for students supervised by aides to engage students in school.

Tutoring for math and ELD after school

Sports for grades 1-3 as a club

motivational rallies

Science/lego club for grades 1-3

**3** Staff:

Need to clarify data entry for engagements - if attendance is not taken for each event, some data is off set.

Positive feedback for including classified staff in teaching opportunities for after school clubs.

Have electives/clubs 1 day a week for 45 min. for all students grades 1-6

Exposure to Careers - 6th Grade	100 %	100 %	2017-2018	100 %

**Step 1:** After selecting metrics, analyze the current 'California School Dashboard', relevant site data, current SPSA, and current budget to conduct a review and analysis and answer the questions below.

**1** Review Current SPSA and Budget. Describe the overall implementation of each action and explain the effectiveness in achieving the expected outcomes for the metrics in this goal.

**Exposure to Careers - 3rd Grade**  
 All Students participated in Bricks for Kids

**Exposure to Careers - 4th Grade**  
 All students attended the Young Chef's Academy

**Exposure to Careers - 6th Grade**  
 All students attended College Campus Tour

All students must be given the opportunity to attend these fieldtrips either through the use of parent chaperones or para chaperones or use of the RCA. This provides the behavior supports needed for student success.

**2** Identify resource inequities or other key factors that contributed to the disproportionality of low-performing student groups.

**Exposure to Careers - 3rd Grade**  
 Need to clarify data entry for engagements - if attendance is not taken for each event, some data is off set. Positive feedback for including classified staff in teaching opportunities for after school clubs.

**Exposure to Careers - 6th Grade**  
 Need to clarify data entry for engagements - if attendance is not taken for each event, some data is off set. Positive feedback for including classified staff in teaching opportunities for after school clubs.

**Step 2:** Briefly describe any major differences between the intended and actual implementation of actions and budget expenditures to meet this goal.

Parents not letting students go on field trips or forgetting to sign permission slips.  
 Budget expenditures are not a problem

**Step 3:** As a result of the analysis from Steps 1 and 2, describe any changes that will be made in this goal, annual metrics, and actions to achieve this goal. Identify where those changes can be found in the upcoming 2019-2020 SPSA.

Class lists given 1 week ahead of trip with a list of those students who do not have a permission slip signed. HSL will contact parents and make a home visit if needed.  
Teachers will add data into Atlas engagement after each trip to ensure accurate data is being given.  
Increase transportation budget line to provide more transportation if needed.

**Step 4:** Stakeholder Involvement. Share the data and analysis with the School Site Council (SSC), English Learner Advisory Committee (ELAC) and school staff, as required. Record feedback and suggestions from each group below.

**1** SSC:  
Parents appreciate the additional opportunities for their children to participate in field trips.

**2** ELAC:  
Continue with field trips  
Motivational rallies - community members  
Coffee Hour with principal

**School Quality Review**

School Level Dashboard

Goal 4 Metrics	Current Target	Actual	As Of	Target
Chronic Absenteeism	12.232 %	14.23 %	2017-2018	10.23 %
Suspensions Per 100	9.492 %	15.894 %	2017-2018	13.894 %

**Step 1:** After selecting metrics, analyze the current 'California School Dashboard', relevant site data, current SPSA, and current budget to conduct a review and analysis and answer the questions below.

**1** Review Current SPSA and Budget. Describe the overall implementation of each action and explain the effectiveness in achieving the expected outcomes for the metrics in this goal.

**Chronic Absenteeism**

Chronic Absenteeism Factors contributing:

- HSL home visits
- Saturday Academy to recover absences
- Increase student participation in activities
- Whole class attendance incentives

**Suspensions Per 100**

- Increase in student incentives.
- PL-Relationship building, trauma, review CHAMPS
- Saturday Academy to re-engage students in school.

All of these actions have promoted student attendance at school and a slight decrease in absences through the year as well as a decrease in suspensions.

**2** Identify resource inequities or other key factors that contributed to the disproportionality of low-performing student groups.

**Chronic Absenteeism**

Chronic Absenteeism: Over the past three years data is as follows: 11.1 to 8.5 for Black students, decrease from 16.5 to 8.9 for Hispanic students, decrease from 10.3 to 6.9 for White students, and 2.9 to 2.9 for EL students.

The decrease in the 18-19 year is due to attendance incentives

**Suspensions Per 100**

Suspensions: Current data is as follows: Black 14.49, Hispanic 1.92, White 3.08, EL 0 and SPED 3.45

Grade 5 has the highest suspension rate.

**Step 2:** Briefly describe any major differences between the intended and actual implementation of actions and budget expenditures to meet this goal.

Items funded from Title 1:

Home School Liaison

Teaching Fellows

These items have had positive impact on student achievement and we found a need to increase from 2 Teaching Fellows to 3 which would include intervention for our students in grades 1-6 for the 2019-2020 school year.

Home School Liaison has kept our families involved in getting students to school and keeping communication open with our parents. She has assisted in translating at academic meetings for our EL students so parents know how to help their students.

**Step 3:** As a result of the analysis from Steps 1 and 2, describe any changes that will be made in this goal, annual metrics, and actions to achieve this goal. Identify where those changes can be found in the upcoming 2019-2020 SPSA.

Increasing teaching fellows from 10 hours a day to 10.5 hours a day.

Continue to purchase incentives for attendance

Add assemblies for "Awesome Attendance" that encourage Attendance

Add articles and other resources to develop more understanding about cultural awareness.

**Step 4:** Stakeholder Involvement. Share the data and analysis with the School Site Council (SSC), English Learner Advisory Committee (ELAC) and school staff, as required. Record feedback and suggestions from each group below.

**1** SSC:

.4375 FTE Spanish speaking Home School Liaison to facilitate parent involvement in education

Safe & Civil Anti-Bullying and CHAMP

Second Step training
