Consequently, to the extent that these bylaws are silent on an issue, or to the extent that these bylaws are ambiguous, the SSC delegates to the Fresno Unified School District Board of Education the authority to interpret the bylaws or adopt appropriate rules in the sole discretion of the Board of Education. To the extent that the SSC fails to perform its duties as set forth in these bylaws, the SSC delegates to the Fresno Unified School District Board of Education the authority to perform those duties on behalf of the SSC.

#### **Section B: SSC Code of Conduct**

In addition to defined roles and responsibilities by the school site, the SSC members will follow Fresno Unified School District's adopted community values as follows:

1. Stewardship – We will lead and follow as stewards of our region, caring responsibly for our community assets. We will work together to achieve the greatest, long-term benefit for the community as a whole;
2. Boundary Crossing and Collaboration – We are willing to cross political, social-ethic and -economic boundaries and partner with others to achieve community outcomes. We will lead “beyond the walls ” to create an inclusive, cohesive community through partnership and collaboration;
3. Commitment to outcomes – We are committed to staying involved until the tasks are completed;
4. “Art of the Possible” Thinking – We believe that anything is possible in the Fresno Unified region. We will envision “success without limitations” and then backward map a specific, attainable strategy for achieving that vision;
5. Fact-Based Decision Making – To the greatest extent possible, we will base decisions and plans on objective data, thereby avoiding distortion of issue by personal feelings or agendas;
6. Truth Telling – We value the empowerment of everyone involved, along with all experiences and insights relative to the working at hand. We take responsibility for ensuring our “truth” is current, not historical. We all share the responsibility for maintaining the truth telling standard;
7. Power Parity – We respect all persons and recognize that there are diverse viewpoints. Positional power will not determine a strategy or preferred outcome, merit will. Viewpoints from diverse constituencies will be proactively sought to ensure the best possible outcomes for the community;
8. Commitment to Resolving Conflict – It is inevitable, and is sometimes required, in order to achieve the best outcomes possible. Healthy conflict involves valuing every individual

- regardless of his or her stance on a specific issue and an unwavering commitment to working through the conflict in a positive manner despite its severity;
9. Asset-Based Approach – We are focused on using a strengths-based, asset-oriented approach to people and issues. We believe that positive change occurs when we appreciate, value, and invest in what is best in our people and community;
  10. Conflict of Interest – We agree to disclose any personal or professional conflict of interest that may affect our objective before engaging in work that will impact the community. We seek to avoid even the appearance of impropriety.

7. Work together to maximize student academic achievement of content and performance standards.
8. Not use their role as SSC members to unduly influence personnel decisions or assert authority not granted to the SSC under law.
9. Not meet together or attempt to reach consensus on issue outside of a duly approved SSC agenda.
