SCHOOL SITE COUNCIL

BYLAWS

ARTICLE I NAME

The name of this committee shall be the Storey School Site Council.

ARTICLE II

ROLE OF THE COUNCIL

The role of this council shall be to:

1. Develop and recommend the school improvement plan.
2. Have ongoing responsibility to review with the principal, teachers, other school personnel, and pupils the implementation of the school improvement program and to assess periodically the effectiveness of the program.
3. Annually review the school improvement plan, and establish a new school improvement budget consistent with the Education Code, and if necessary make modifications in the plan to reflect changing needs, improvements, and priorities.

CODE OF CONDUCT

SSC members shall follow Fresno Unified School District's adopted community values as follows:

1. Stewardship-We will lead and follow as stewards of our region, caring responsibly for our community assets. We will work together to achieve the greatest, long-term benefit for the community as a whole;
2. Boundary Crossing and Collaboration-We are willing to cross political, social, ethnic and economic boundaries and partner with others to achieve community outcomes. We will lead "beyond the walls" to create an inclusive, cohesive community through partnership and collaboration;
3. Commitment to Outcomes- We are willing to take responsibility for tasks and achieving specific outcomes. We are committed to staying involved until the tasks are completed;
4. "Art of the Possible" Thinking-We believe that anything is possible in the Fresno Region. We will envision "success without limitations" and then backward map a specific, attainable strategy for achieving that vision;

5. Fact Based Decision Making- To the greatest extent possible, we will base decisions and action plans on objective data, thereby avoiding distortion of issues by personal feelings or agendas;
6. Truth Telling- We value the empowerment of everyone involved, along with all community stakeholders, to honestly and forthrightly share all knowledge, experiences and insights relative to the working at hand. We take responsibility for ensuring our "truth" is current, not historical. We all share the responsibility for maintaining the truth telling standard
7. Power Parity-We respect all persons and recognize that there are diverse viewpoints. Positional power will not determine a strategy or preferred outcome, merit will. Viewpoints from diverse constituencies will be proactively sought to ensure the best possible outcomes for the community.
8. Commitment to Resolving Conflict- Conflict is inevitable and is sometimes required in order to achieve the best outcomes possible. Healthy conflict involves valuing every individual regardless of his or her stance on a specific issue and an unwavering commitment to working through the conflict in a positive manner despite its severity.
9. Asset-Based Approach- We are focused on using a strength-based, asset oriented approach to people and issues. We believe that positive change occurs when we appreciate, value and invest in what is best in our people and our community;
10. Conflict of Interest- We agree to disclose any personal or professional conflict of interest that may affect our objectivity before engaging in work that will impact the community. We seek to avoid even the appearance of impropriety.

1. Shall attend noticed meetings regularly
2. Shall follow State and Federal law and guidance and FUSD Board Policy in the development of the site plan and otherwise.
