

Title I Parent Information

FACT SHEET

What Is Title I?

This program provides supplemental federal funding for improving student achievement, especially in high-poverty schools. This may include a variety of academic support, parent involvement and staff development to improve instruction and educational services for students.

How Do Schools Qualify for Title I?

- Schools must have 35% or more students eligible for free or reduced price lunch.
- Funding is used to meet the educational needs of low-achieving students, especially in reading, language arts and mathematics.

What Services Does Title I Provide?

- Interventions
- Tutorials
- Supplemental academic materials
- Parent involvement activities/training
- Counseling and mentoring
- Professional learning/coaching

How Does My Child Qualify for Services Through Title I?

- All students in Title I schools are eligible for services
- Services will focus on improving student academic achievement, particularly for the lowest-achieving students

At-a-Glance

Title I

- Improving academic achievement for all students at the Title I school
- Serving students in high poverty schools with supplemental services
- Focusing services on those students most at-risk of failure

Title I Parent Rights

- Provide suggestions and ideas to assist with the development of the parent involvement policy
- Receive information in an understandable format and in a language you understand
- Attend an annual Title I parent meeting
- Receive a description of your school's Title I services and the school curriculum
- Observe and/or volunteer at your child's school
- Receive training in how to help your child succeed academically
- Have your child's test results explained to you
