District Goals	
<p>The purpose of the four Fresno Unified School District Goals is to give the District direction to improve student outcomes. To accomplish the four District Goals, it is expected that all students will be in school, on time and ready to learn every day.</p>	
1.	All students will excel in reading, writing and math.
2.	All students will engage in arts, activities and athletics.
3.	All students will demonstrate the character and competencies for workplace success.
4.	All students will stay in school on target to graduate.

Centralized Services - No Centralized Services are utilized at this time.

Consolidated Program Assurances

<p>The School Site Council (SSC) develops and revises the Single Plan for Student Achievement (SPSA) and the corresponding budget to be presented for approval to the Board of Education of the Fresno Unified School District annually.</p>
<p>The SSC, and all advisory committees, are formed in accordance with procedures established by federal or state law and regulations, and with membership parity as mandated. The advisory committees provide input on the SPSA.</p>
<p>The principal is an active member of the SSC and participates in regularly scheduled meetings throughout the school year. Classroom teachers, school staff, parents and students (secondary level only) are also participating members.</p>
<p>The school’s SSC, staff and parents participate in a needs assessment to help guide SPSA development.</p>
<p>The members of the SSC, the school’s English Learners’ Advisory Committee (ELAC) and members of other advisory school committees receive information and data detailing the needs of students during the SPSA development process and the comprehensive needs assessment. Information for all significant subgroups includes the economically disadvantaged students, students with disabilities, gifted and talented students, English Learners, and foster youth.</p>
<p>School sites schedule SSC and ELAC meetings yearly to elect officers, designate representation for district meetings (DAC and DELAC), and provide input for the SPSA. ELAC may vote to consolidate with the SSC every two years.</p>
<p>Opportunities for parents to participate in the development of the SPSA are provided by all schools, as described in the Elementary and Secondary Education Act (federal law), California Education Code, and the policies and regulations of the Fresno Unified School District Board of Education. The SPSA includes strategies to improve parent involvement and examples of the Parent Involvement Policy and the Parent-School Compact.</p>
<p>Strategies to improve student achievement, meet measurable objectives, provide high quality professional development, and support struggling students through the use scientifically-based research are included in the SPSA. The SPSA reforms and supplemental funding provide opportunities for all students to meet state standards by extending learning time, supporting grade-level and school-level student transitions and providing social-emotional supports for students.</p>
<p>The Single Plan for Student Achievement is reviewed and revised during the first semester of each school year, and re-evaluated and re-written during the second semester of each school year for annual approval by the Board of Education.</p>

School Level Dashboard

Goal 1 Metrics	Current %	Target %
EL Reclassification Rate (All grade levels)	10.465	17.465
SBAC ELA 3-8, 11 - Meets or Exceeds Standards (grades 3-11)	27.23	37
SBAC Math 3-8, 11 - Meets or Exceeds Standards (grades 3-11)	21.875	32

Needs Assessment

Step 1: After selecting the metrics, analyzing the current school dashboard and the relevant site data, conduct an analysis and answer the questions below.

1 What were the key factors that contributed to these performance outcomes for each metric.

SBAC ELA 3-8, 11 - Meets or Exceeds Standards (grades 3-11)

K-6 Implementation of GVC and it's technology resources; Wonders Student Work-space, Assessments and Reports.

Focus of planning during 7 Designated Days- ELA Quarterly Planners and Assessment Calendars

Accountable Community time provided, once a week for two hours: AC Smart Goals, CFACCI work, planning using quarterly planners and assessment calendars, use of new AC minutes form including CFACCI data.

Data Chats- Individual, AC's and ILT- Analysis of SBAC 2016-17, Analysis of Interim 1 and 2, reteaching of standards, progress monitoring and targeted students.

Professional Learning sessions provided twice a month GVC Resource; Wonders Technology- Student Work-space, Assessment and Reports.

RTII focus on reading by 3rd Grade- RTII K-3 block focused on gaps in reading foundational skills, reading fluently and reading comprehension. Monthly RTII meetings with teachers and RTII team to progress monitor and target supports.

Teacher release time to observe colleagues

Regular Lead Teacher meetings

Computer Literacy- time in the computer lab (Sway, power point, typing, research, Imagine Learning, Khan Academy)

2 What were the key factors that contributed to the disproportionality for any significant subgroups.

SBAC ELA 3-8, 11 - Meets or Exceeds Standards (grades 3-11)

RCA focus on African American Subgroup

RTII providing supports in academic and social emotional

Family Foundations counseling services targeting foster, African American, EL

Morning Intervention targeting EL Learners

According to the Core Index Subgroups in ELA:

- African American 28% Meet/Exceed 83% Growth Percentile
- Asian 27% Meet/Exceed
- Hispanic 25% Meet/Exceed 95% Growth Percentile
- White 20% Meet/Exceed
- EL 27% Meet/Exceed
- Students with Disabilities 4% Meet/Exceed

SBAC Math 3-8, 11 - Meets or Exceeds Standards (grades 3-11)

RCA focus on African American Subgroup

RTII providing supports in academic and social emotional

Family Foundations counseling services targeting foster, African American, EL

Hands on Literacy Program volunteers for grades K-3

Implementation of COST Team referral system and regular monthly SST's to address student needs

SBAC Math 3-8, 11 - Meets or Exceeds Standards (grades 3-11)

K-6 Implementation of GVC and it's technology resources; Go Math Math Trainer, Assessments and Reports.

Focus of planning during 7 Designated Days- Math Quarterly Planners and Math Assessment Calendars

Accountable Community time provided, once a week for two hours: AC Smart Goals, CFA CCI work, planning using quarterly planners and assessment calendars, use of new AC minutes form including CFA CCI data.

Data Chats- Individual, AC's and ILT- Analysis of Interim 1 and 2, reteaching of standards, progress monitoring and targeted students.

Professional Learning session on EL PAC

Teacher release time to observe colleagues

Regular Lead Teacher meetings.

Morning ELD Intervention with web-based program (40 minutes)

Designated Content support with BIA in grades 4th-6th (50 minutes)

RTII Foundational Reading Skills Intervention for EL students 1-6 that are in levels 1 or 2 and considered at-risk. in their English Language Development. Monthly meetings with teachers and RTII team to progress monitor and target support.

Morning Intervention targeting EL Learners

According to the Core Index Subgroups in Math:

- African American 17% Meet/Exceed 70% Growth Percentile
- Asian 27% Meet/Exceed
- Hispanic 23% Meet/Exceed 91% Growth Percentile
- White 26% Meet/Exceed
- EL 21% Meet/Exceed
- Students with Disabilities 7%

EL Reclassification Rate (All grade levels)

Enrollment of over 30 Syrian students new to the US

Designated BIA Arabic BIA added for support for access to the content and communication

Morning ELD Intervention with web-based program

RTII Foundational Reading Skills Intervention for 1-6

- 27% of EL students Meet/Exceed in ELA
- 21% of EL students Meet/Exceed in Math
- 10.5 % of EL students were reclassified

Step 2: Share the data and analysis with the School Site Council (SSC), English Learner Advisory Committee (ELAC) and school staff, as required. Record feedback and suggestions from each group below.

1 SSC:

Our 2017-18 SBAC Goal in ELA and Math is to increase by 5%. ELA 32.4% and Math 27%. Our Interim 2 data indicates a growth of at least 4% in ELA and 12% in Math in relation to our 2016-17 SBAC results.

Budget Priorities:

- Continue to focus on reading to provide students with reading skills, fund CT/TSA, Teaching Fellows, and RCA
- Continue to keep parents informed during coffee hours, SSC and ELAC meetings, fund HSL and parent materials and resources.
- Implement PLI Partnership with Education Elements to support differentiation and personalized learning in the classroom.
- Increase computer engagement and provide tablets for SBAC testing grades (priority).
- Continue with rewards for kids meeting and exceeding standards in assessments, fund Funworks incentives and materials to motivate students.
- Fund and allocate resources and materials for progress reports and setting goals with students.
- Tutoring for students that need help.
- Continue to fund a roving sub to release teachers for SST meetings to participate in the discussion of student concerns, needs and develop an action plan to ensure student success.

2 ELAC:

Our 2017-18 EL Reclassification goal is to increase by .5%. 2016-17 reclassification rate is 10.5%.

Budget Priorities:

- Continue to focus on reading to provide students with foundational reading skills
- Provide content support for Syrian students, fund Arabic BIA
- Reward students that are reclassified R-FEP, fund incentives and materials to motivate students
- Educate parents about ELAC and EL supports, fund HSL
- Continue with web-based morning intervention for EL students with Imagine Learning Licenses, fund morning intervention and provide materials and resources.
- Fund additional tutoring for students in the morning and afterschool

3 Staff:

Our 2017-18 SBAC Goal in ELA and Math is to increase by 5%. ELA 32.4% and Math 27%. Our Interim 2 data indicates a growth of at least 4% in ELA and 12% in Math in relation to our 2016-17 SBAC results.

Budget Priorities:

- Continue with Response to Instruction & Intervention (RTII), fund CT/TSA, Teaching Fellows, and RCA
- Continue with counseling and social emotional supports, fund Family Foundations Counseling and RCA
- Implement PLI Partnership with Education Elements to support differentiation and personalized learning in the classroom.
- Increase computer engagement and provide tablets for SBAC testing grades (priority).
- Start pull out /push in support for morning and after school.
- Start differentiated deployment by subject RTII for ELA and Math.
- Purchase computer software (Lexia Learning).
- Continue to Develop Common Formative Assessments, what does mastery look like?
- Continue to analyze CFA data, compare data, discuss results, look for patterns, share strategies and plan.
- Continue to vertically align and identify common standards that students are lacking.
- Continue to provide AC planning time; teachers need time to implement.
- Continue allocating resources to support data analysis of DRP, DIBELS, KAIG, Interim and SBAC.
- Continue to coordinate resources to meet the needs of students.
- Continue with data discussion with Admin to determine next steps for student learning.
- Continue to fund a roving sub to release teachers for SST meetings to participate in the discussion of student concerns, needs and develop an action plan to ensure student success.

Step 3: Review actions funded by Title I last year and explain their effectiveness and any changes planned for use of Title I funds:

2015-16 SBAC ELA increased 5.5% in 2017-18

2015-16 SBAC Math increased 5.9% in 2017-18

2015-16 EL Reclassification increased 1% in 2017-18

2017-18 Interim 1 ELA Meet/Exceed (27.9%) increased 7.1% on Interim 2 (30.9%)

2017-18 Interim 1 Math Meet/Exceed (25.9%) increased 7.5% on Interim 2 (33.3%)

CT/TSA

- Provided RTII for 1st, 2nd, 3rd and EL Students (total of 20 students serviced, 5/20 EL students)
- Coordinated RTII, DIBELS Assessment, ELPAC Assessment

Teaching Fellow

- Provided RTII for 1st, 2nd, 3rd and EL students (total of 40 students serviced)
- 1 TF provided support for 4th, 5th and 6th grade in ELA (total of 10 students serviced)

Family Foundations Counseling

- Provided Therapy and Social Skills Groups for 52 students.

HSL

- Communicated with parents about academics, attendance and parent participation
- Organized and allocate resources to support students academic, attendance, social emotional supports.
- Organized and communicated parent participation in ELAC, SSC and Parent Conferences and Parent Resources and Education.

Arabic BIA

- Provided communication with Syrian parents
- Provided content and reading foundational skills support to over 23/32 Syrian Students

Action 1

Title: Reading by 3rd Grade

Action Details:

Wolters will implement a K-3 comprehensive reading program to develop proficient readers with the capacity to read and comprehend grade level texts by 3rd grade. To ensure that students will read and comprehend grade level texts, a three-tiered response to intervention system will be implemented in kindergarten through third grade.

1. Grades K-3 will provide a Response to Instruction and Intervention (RTII) approach to development proficient readers by third grade

- Tier 1- implementation of Reading Foundational Standards in all K-3 classrooms
- Tier 2- opportunities for deployment, small flexible groupings, tutorial and co-teaching
- Tier 3- opportunities for targeted pull out/push in support during and/or before/after school

2. Selection of students participating in Tier 2 and RTII program will be based on multiple measures that diagnose students' understanding and working knowledge of concepts of print, the alphabetic principle, and other basic foundational reading skills. (KAIG, BAS, DRP, DIBELS and BPST). Instruction using the Wonders curriculum will be differentiated to provide students with what they need to learn and not what they already know.

3. The school will address teaching deficiencies and pedagogical strategies in instructional delivery for foundational reading skills and reading comprehension by providing professional learning based on data trends collected from classroom walkthroughs using the Instructional Practice Guide for Literacy, student assessment data and teacher surveys.

Explain the Progress Monitoring and data used for this Action

Details: Explain the data which will specifically monitor progress toward each indicator target

1. ATLAS and SQII Data Dashboard Indicators will be utilized to monitor grades K-3 progress towards the goal of reading by 3rd Grade.
2. Current BAS/DRP administrations will be utilized to monitor student progress towards reading at/above grade level in grades K-3.
3. DIBELS will be administered three times a year (Aug, Jan, May) for grades K-6.
 - utilized to identify students at-risk in reading
 - utilized to determine student growth and gaps in reading foundational skills (print concepts, phonological awareness, phonics and word recognition, and fluency)
 - utilized to differentiate instruction in reading foundation skills (print concepts, phonological awareness, phonics and word recognition, and fluency)
4. BPST will be administered as needed for students who are below grade level reading to identify gaps in reading.
 - BPST will be utilized as a formative assessment to determine student progress and identify gaps in reading foundational skills for RTII.
 - BPST results will be shared during RTII monthly meetings during grade level attendance bingo.
5. A minimum of three grade level common assignments or common formative assessments will be collected per quarter. Common assignments or common assessments will be:
 - recorded on grade level monitoring forms which include: KAIG, BAS, DRP, District CFAs and SBAC
 - utilized to determine student growth and learning gaps analyzed for planning of next steps in instruction.
6. Data Chats with AC Teams and individual teachers will occur after administration of the BAS/DRP and District CFA. Data chats will focus on growth and gaps of students and intervention/acceleration strategies. A roving sub will be provided three times out of the year to release teachers for data chats.
7. Classroom Walkthrough will focus on the Instructional Practice Guide for Literacy. Data will be collected specifically on Tenant 2.C Challenging Content: During foundational skills lessons, does instruction develop skills in service of comprehension?
 - The foundational skills being taught will align to the reading foundations standards for the grade.
 - Frequent monitoring of student progress drives the content so students get what they need, not what they already know.
 - Instruction and materials will address foundational skills by attending to phonological awareness, concepts of print, letter recognition, phonetic patterns, word structure, vocabulary and/or fluency.
 - Instruction and materials provide opportunities for all students to practice reading and writing newly acquired skills.

Describe Direct Instructional Services to students, including materials and supplies required (curriculum and instruction):

1. Kindergarten aides funded by the district, we will provide morning and/or after school intervention (7:30-8:00 am or 1:50-2:30 pm) for the most intensive students. Kindergarten Aides will push in support throughout the school day for ELA and Math. Each kindergarten class will receive a minimum of 95 minutes of push in support from the kindergarten aides.

2. Students in grades K-3 will participate in a Response to Instruction and Intervention (RTII) approach to development proficient readers by 3 grade. Classroom Teachers and Certificated Tutor/TSA will provide this support with three tutors contracted through Teaching Fellows, an Arabic Bilingual Instructional Assistant, and Social Emotional Paraprofessionals/Resource Counseling Assistants. The RTII Team will include but is not limited to: Principal/Vice Principal, classroom teachers, CT/TSA, Teaching Fellows, BIA and SE Para/RCA. Monthly RTII Team Meetings will be held during the instructional day (Attendance BINGO) to identify students, progress monitor, and discuss supports for targeted students.

- Tier 1- implementation of Reading Foundational Standards using the GVC in all K-3 classrooms and differentiation based on student needs. K-3 classrooms will utilize the Blended Learning structure to provide instruction with targeted instructional strategies, differentiate instruction and web-based media. The goal of this structure is to provide students with personalized learning based on their needs: more time to learn new concepts, more time to practice concepts or acceleration.
- Tier 2- opportunities for deployment, fluid groupings, tutorial and co-teaching. Students in grades 1-3 will participate in grade level RTII during a 40 minute designated time block. Students will be deployed during their designated times to grade level teachers, Certificated Tutor/TSA, three Teaching Fellows and SE Para/RCA. Students will be grouped in similar reading levels based on multiple measures (BAS, DRP, DIBELS, BPST). Groups will remain fluid to allow for appropriate targeted reading instruction. SE Paraprofessionals/Resource Counseling Assistants will provide social emotional learning intervention for identified students in need of social emotional support. RTII Team (Teachers, CT/TSA, Teaching Fellows, SE Para/RCA and Administrative Staff) will meet monthly during Student Attendance BINGO activities to discuss, analyze, reflect and plan for RTII.
- Tier 3- opportunities for targeted pull out/push in support. Students in need of intensive support will be referred for potential services through COST Team referrals. SST meetings will be conducted once a month to address concerns. A roving sub will be provided for teacher participation in SST's. Students will be identified through RTII Team meetings or the SST process. Identified students through this process will receive targeted non-identified pull out/push in support provided by the SPED Team as space is available.

Specify enhanced services for EL students:

1. Integrated EL strategies will be used to support students in all content areas.

2. An Arabic Bilingual Instructional Assistant (BIA) and Teaching Fellow will provide access to the core content areas for identified EL students in the 4th-6th grade.

3. Targeted (long term/at risk) EL students in grades K-6 will receive intervention services focused on EL reading, speaking and listening standards provided by the RTII Team.

4. Extra pay or supplemental contracts will be provided to certificated/classified staff to provide a morning and/or after school intervention using computer based programs for targeted EL students.

5. Redesignation Goal Setting report will be utilized to monitor growth and gaps for EL students.

6. Teachers will provide ongoing data chats with our EL students to identify gaps in meeting Redesignation criteria.

3. All students will engage in computer literacy at least once a week for a 30-60 minute block in the computer lab or in the classroom.

- Designated Schools TSA will provide instruction in using computer program/software to promote digital literacy and support student's personalized learning; improving reading foundational skills and reading comprehension.
- Computer program/software will be purchased to support reading foundational skills and reading comprehension as funds are available.
- Technology equipment such as computers, tablets, computer carts or any technology related equipment will be purchased to support computer literacy, as funds are available. The goal is to provide each SBAC tested classroom with a mobile lab.

4. Extra pay or supplemental contracts will be provided to certificated/classified staff to provide a morning/after school tutoring/intervention using computer based programs.

- Identification for targeted students will be based on data collected from SII indicators targeting subgroups such as EL, African American, foster youth and SPED.

5. ACES after school funds (SNAP) will be used to provide ELA and Math support, homework assistance and enrichment experiences for participating students in grades 1-6.

- Students will be enrolled based on a lottery system.
- Teaching Fellows and FCOE employees will be used to staff the SNAP program.
- Materials and supplies will be purchased to support the SNAP program.

Explain the actions for Parent Involvement (required by Title I):

1. Teachers will review current reading levels, state and district assessment results and set goals with all students in the fall using 7 Habits portfolio. 7 Habits portfolio's will be shared with parents during parent conference.

2. Teachers will review current reading levels, state and district assessment results and student goals with parents during fall parent conference.

3. BAS/DRP Progress Reports and District CFA results will be sent home after each administration.

4. Each teacher will provide a review of EDUTEXT during Back to School Night and fall Parent Conferences.

5. Parents will be provided information related to the parent portal on Back to School Night.

6. School wide DRP and Interim progress will be shared with parents during parent coffee hour, SSC, and ELAC meetings.

7. The school will host a reading event for parents and students during the spring semester. The purpose of the event will be to encourage reading at home.

8. Monthly Newsletter will be sent home monthly to keep parents informed with upcoming school events and activities.

9. Parents will be invited to coffee hours, school meetings and conferences. Parent invitations will be communicated through Parent messenger, newsletters and flyers. Parent newsletters and flyers will be translated in major languages.

10. Parents will be offered training through Parent University to improve student learning.

11. Parents will be provided reasonable opportunities to access to staff, volunteer and participate in their child's class and serve on SSC and ELAC committees.

Describe Professional Learning related to this action:

1. Accountable community time will be provided, once a week for one hour and forty-five minutes totaling 63 hours, within the 45 hours and 80 designated school hours for collaboration and planning focused on the Four Instructional Commitments and Foundational Guiding Questions.

2. AC agendas and minutes will be uploaded weekly in the AC Teams folder. Agendas and minutes will include at least one of the four Foundational Guiding Questions: What knowledge or skills should every student acquire as a result of this unit of instruction? How will we know when each student has acquired the essential knowledge and skills? How will we respond when some students do not learn? How will we extend and enrich the learning for students who are already proficient? (DuFour, 2010)

3. AC Teams will meet with administration quarterly to review grade level DRP data, District CFA data, AC SMART Goals and discuss effective strategies to support student learning.

4. Professional Learning sessions will be provided once or twice a month (13 hours) and seven 7 hour days (49 hours) before school and/or during agreed upon non-school days during the school year (13 hours from the 45 hours and 49 hours from the 80 hours); totaling 62 hours during the year.

- Professional Learning topics will be determined based on IPG school-wide trends, student needs and teacher needs.

5. Professional Learning sessions will be provided on site once or twice a month (13 hours). The 13 hours will be combined with 13 non-prep days for thirteen 1 hour and 45 minutes PL sessions.

- Professional Learning topics will be determined by ILT Team based on IPG school-wide trends, student assessment data and teacher surveys.
- Differentiated Site Professional Learning sessions will be provided as needed to address specific primary and intermediate needs based on data and teacher PL surveys.
- Lead Teachers will be given opportunities to lead Professional Learning sessions.

6. Lead Teachers will meet regularly with the administrative staff to engage in side by side learning through the use of Richard DuFour's Learning by Doing.
7. Lead Teachers will also provide support to new teachers on their teams: developing lessons, effective instructional strategies, curriculum design, embedding foundational skills, and CHAMPS.
8. Substitute release time will be provided for teachers to attend professional learning or observe colleagues at other sites to increase their repertoire of strategies in blended learning, personalized learning, student engagement of State Standards, foundational skills, complex talk and task, and higher levels of thinking in DOK levels 2, 3 and 4.
9. The site will partner with Fresno Unified Personalized Learning Initiative (PLI) and Education Elements to equip staff with the knowledge, skills and resources to ensure that students receive personalized learning. The three year commitment will help staff develop expertise in targeting instruction, creating opportunities for students to reflect and own their learning, making data-informed decisions, and navigating content and tools to support students.
 - Funds will be allocated during three different fiscal years to support the partnership with Fresno Unified PLI and Education Elements.
11. Book study opportunities: Rigorous Reading, Content-Area Conversations, Visible Learning for Literacy, and additional resources. Book and other resources will be purchased as funds allow.
12. Opportunities will be provided for teachers to observe colleagues on site to increase their repertoire of strategies student engagement of State Standards, foundational skills, complex talk and task, and higher levels of thinking in DOK levels 2,3 and 4.

Action 2

Title: ELA4-6

Action Details:

Wolters will implement a comprehensive reading program in grades 4-6 focused on reading strategies and reading comprehension, with the goal of all students moving at least one grade level per year. The school will address teaching deficiencies and pedagogical strategies in instructional delivery for all students struggling with foundational reading skills and reading comprehension.

1. Engage students in Complex Text, Complex Talk and Complex Task to address reading, listening, speaking, and writing standards.
2. Utilized the Blended Learning structure to provide instruction with targeted instructional strategies, differentiate instruction and web-based media. The goal of this structure is to provide students with personalized learning based on their needs: more time to learn new concepts, more time to practice concepts or acceleration.
3. Reading Strategies to include: Close Reading, Text Dependent Questions, Annotation, Collaborative Conversations, Productive Talk, and Making Thinking Visible, and Thinking Skills.
4. Engage students in higher levels of thinking reaching levels 2, 3 and 4 using Webb's Depth of Knowledge (DOK).
5. Engage students in assessments that are standards-based.

The school will address teaching deficiencies and pedagogical strategies in instructional delivery for students struggling with foundational reading skills and reading comprehension by providing professional learning based on trends collected from the Instructional Practice Guide for Literacy, student needs and teacher needs.

Explain the Progress Monitoring and data used for this Action

Details: Explain the data which will specifically monitor progress toward each indicator target

1. ATLAS and SQII Data Dashboard Indicators will be utilized to monitor grades 4-6 progress towards meeting their SMART Goals: DRP, SBAC and Interim.
2. Current DRP administrations will be utilized to monitor student progress towards reading at/above grade level.
3. DIBELS – three times a year (Aug, Jan, May)
 - utilized to determine student growth and gaps in Reading Foundational Skills (print concepts, phonological awareness, phonics and word recognition, and fluency)
 - utilized to differentiate instruction in Reading Foundation Skills (print concepts, phonological awareness, phonics and word recognition, and fluency).
4. BPST will be administered as needed for students who are below grade level reading to identify gaps in reading foundational skills.
 - BPST will be utilized as a formative assessment to determine student progress and identify gaps in reading foundational skills.
5. A minimum of three grade level common assignments or common formative assessments will be collected per quarter. Common assignments or common formative assessments will be:
 - recorded on grade level monitoring forms which include: KAIG, BAS, DRP, District CFA's and SBAC.
 - utilized to determine student growth and learning gaps and analyzed for planning of next steps in instruction.
6. Data Chats with ILT, AC Teams and individual teachers will occur after administration of the DRP and Interim Assessment.
 - Data chats will focus on growth and gaps of students and intervention/support strategies.
 - Aroving sub will be provided three times out of the year to release teachers for data chats.
7. Teachers will conduct a conference with each student after administration of the DRP, Interim and CFA assessments to celebrate, reflect, plan and set goals using the students' 7 Habits portfolio.
 - SBAC student conference celebration, reflection, planning and goals will be held in August.
8. Classroom Walkthrough will focus on the Instructional Practice Guide for Literacy. Data will be collected specifically on Tenant 2b. Does this lesson employ questions and tasks, both oral and written, which integrate the standards and build students' comprehension of the text(s) and its meaning?
 - Questions and tasks integrate reading, writing, speaking and listening, and/or language standards to support students in building their understanding of the text and topics under consideration.
 - Questions and tasks address the text by attending to its particular structure, concepts, ideas, events and/or details.
 - Questions and tasks require students to use evidence from text to demonstrate understanding and to support their ideas about the text. These ideas are expressed through both written and oral responses.
 - Questions and tasks attend to the words, phrases and sentences within the text.
 - Questions and tasks are intentionally sequenced to build knowledge and deepen students' comprehension of the text.
9. Classroom Walkthrough will focus on the Instructional Practice Guide for Literacy.
 - School wide data will be collected on all 5 Tenets of the IPG for Literacy and shared with staff on a regular

Describe Direct Instructional Services to students, including materials and supplies required (curriculum and instruction):

1. All 4-6 students will engage in a comprehensive reading program in grades 4-6 focused on reading strategies and reading comprehension.

- Tier 1- implementation of the GVC, reading foundational standards and reading comprehension skills in all 4-6 classrooms
- Tier 2- opportunities for deployment, fluid groupings, tutorial and co-teaching. All 4-6 students will participate in a 30-40 minutes of Blended Learning structure (personalized learning) focused on ELA-reading foundational skills and reading comprehension.
- Tier 3- opportunities for targeted pull out/push in support. Students in need of intensive support will be referred for potential services through COST Team referrals. SST meetings will be conducted once a month to address concerns. A roving sub will be provided for teacher participation in SST's. Students will be identified through RTII Team meetings or the SST process.

Students receiving Tier 3 support must be identified through the RTII Team meetings or the SST process. Identified students through this process will receive targeted non-identified pull out/push in support provided by the designated school TSA, Teaching Fellows, SE Paraprofessionals/RCA and/or SPED Team as space is available.

2. All students will engage in computer literacy at least once a week for a 30-60 minute block in the computer lab or in the classroom.

- Designated Schools TSA will provide instruction in using computer program/software to promote digital literacy and support student's personalized learning; improving reading foundational skills and reading comprehension.
- Computer program/software will be purchased to support reading foundational skills and reading comprehension as funds are available.
- Technology equipment such as computers, tablets, computer carts or any technology related equipment will be purchased to support computer literacy, as funds are available. The goal is to provide each SBAC tested classroom with a mobile lab.

3. Extra pay or supplemental contracts will be provided to certificated/classified staff to provide a morning/after school tutoring/intervention using computer based programs.

- Identification for targeted students will be based on data collected from SQII indicators targeting subgroups such as EL, African American, foster youth and SPED.

4. Extra pay or supplemental contracts will be provided to certificated/classified staff to provide tutoring and/or intervention after school using Extended Learning After School funds three days a week.

- Web-based media such as Khan Academy will be used to provide individualized tutoring.
- Identification for targeted students will be based on data collected from SQII indicators targeting subgroups

Specify enhanced services for EL students:

1. Integrated EL strategies will be used to support students in all content areas.

2. An Arabic Bilingual Instructional Assistant (BIA) and Teaching Fellow will provide access to the core content areas for identified EL students in the 4th-6th grade.

3. Targeted (long term/at risk) EL students in grades K-6 will receive intervention services focused on EL reading, speaking and listening standards provided by the RTII Team.

4. Extra pay or supplemental contracts will be provided to certificated/classified staff to provide a morning and/or after school intervention using computer based programs for targeted EL students.

5. Redesignation Goal Setting report will be utilized to monitor growth and gaps for EL students.

6. Teachers will provide ongoing data chats with our EL students to identify gaps in meeting Redesignation criteria.

such as EL, African American, foster youth and SPED.

5. ACES after school funds (SNAP) will be used to provide ELA and Math support, homework assistance and enrichment experiences for participating students in grades 1-6.

- Students will be enrolled based on a lottery system.
- Teaching Fellows and FCOE employees will be used to staff the SNAP program.
- Materials and supplies will be purchased to support the SNAP program.

Explain the actions for Parent Involvement (required by Title I):

1. Teachers will review current reading levels, state and district assessment results and set goals with all students in the fall using 7 Habits portfolio. 7 Habits portfolio's will be shared with parents during parent conference.

2. Teachers will review current reading levels, state and district assessment results and student goals with parents during fall parent conference.

3. BAS/DRP Progress Reports and District CFA results will be sent home after each administration.

4. Each teacher will provide a review of EDUTEXT during Back to School Night and fall Parent Conferences.

5. Parents will be provided information related to the parent portal on Back to School Night.

6. School wide DRP and Interim progress will be shared with parents during parent coffee hour, SSC, and ELAC meetings.

7. The school will host a reading event for parents and students during the spring semester. The purpose of the event will be to encourage reading at home.

8. Monthly Newsletter will be sent home monthly to keep parents informed with upcoming school events and activities.

9. Parents will be invited to coffee hours, school meetings and conferences. Parent invitations will be communicated through Parent messenger, newsletters and flyers. Parent newsletters and flyers will be translated in major languages.

10. Parents will be offered training through Parent University to improve student learning.

11. Parents will be provided reasonable access to staff, opportunities to volunteer and participate in their child's class and serve on SSC and ELAC committees.

Describe Professional Learning related to this action:

1. Accountable community time will be provided, once a week for one hour and forty-five minutes totaling 63 hours, within the 45 hours and 80 designated school hours for collaboration and planning focused on the Four Instructional Commitments and Foundational Guiding Questions.

2. AC agendas and minutes will be uploaded weekly in the AC Teams folder. Agendas and minutes will include at least one of the four Foundational Guiding Questions: What knowledge or skills should every student acquire as a result of this unit of instruction? How will we know when each student has acquired the essential knowledge and skills? How will we respond when some students do not learn? How will we extend and enrich the learning for students who are already proficient? (DuFour, 2010)

3. AC Teams will meet with administration quarterly to review grade level DRP data, District CFA data, AC SMART Goals and discuss effective strategies to support student learning.

4. Professional Learning sessions will be provided once or twice a month (13 hours) and seven 7 hour days (49 hours) before school and/or during agreed upon non-school days during the school year (13 hours from the 45 hours and 49 hours from the 80 hours); totaling 62 hours during the year.

- Professional Learning topics will be determined based on IPG school-wide trends, student needs and teacher needs.

5. Professional Learning sessions will be provided on site once or twice a month (13 hours). The 13 hours will be combined with 13 non-prep days for thirteen 1 hour and 45 minutes PL sessions.

- Professional Learning topics will be determined by ILT Team based on IPG school-wide trends, student assessment data and teacher surveys.
- Differentiated Site Professional Learning sessions will be provided as needed to address specific primary and intermediate needs based on data and teacher PL surveys.
- Lead Teachers will be given opportunities to lead Professional Learning sessions.

6. Lead Teachers will meet regularly with the administrative staff to engage in side by side learning through the use of Richard DuFour's Learning by Doing.

7. Lead Teachers will also provide support to new teachers on their teams: developing lessons, effective instructional strategies, curriculum design, embedding foundational skills, and CHAMPS.

8. Substitute release time will be provided for teachers to attend professional learning or observe colleagues at other sites to increase their repertoire of strategies in blended learning, personalized learning, student engagement of State Standards, foundational skills, complex talk and task, and higher levels of thinking in DOK levels 2, 3 and 4.

9. The site will partner with Fresno Unified Personalized Learning Initiative (PLI) and Education Elements to equip staff with the knowledge, skills and resources to ensure that students receive personalized learning. The three year commitment will help staff develop expertise in targeting instruction, creating opportunities for students to reflect and own their learning, making data-informed decisions, and navigating content and tools to support

students.

- Funds will be allocated during three different fiscal years to support the partnership with Fresno Unified PLI and Education Elements.

11. Book study opportunities: Rigorous Reading, Content-Area Conversations, Visible Learning for Literacy, and additional resources. Book and other resources will be purchased as funds allow.

12. Opportunities will be provided for teachers to observe colleagues on site to increase their repertoire of strategies student engagement of State Standards, foundational skills, complex talk and task, and higher levels of thinking in DOK levels 2,3 and 4.

Action 3

Title: Math

Action Details:

Wolters will implement a school-wide comprehensive math program focused on the shifts required by the CCSS for mathematics:

- Focus: The lesson focuses on grade level cluster(s) and/or standard(s) at the appropriate level of depth.
- Coherence: The lesson intentionally connect content to appropriate mathematical concepts within and across grades.
- Rigor: The lesson intentionally targets the aspects) of rigor (conceptual understanding, procedural skill and fluency, application) called for by the standard(s) being addressed.

The school will address teaching deficiencies and pedagogical strategies in instructional delivery for students struggling with mathematics by providing professional learning based on trends collected from the Instructional Practice Guide for Math, student needs and teacher needs.

 - Culture of Learning: Is there a culture of learning and high expectations in this classroom?
 - Challenging Content: Does the content of this lesson reflect the shifts required by the CCSS for Mathematics?
 - Challenging Content: Does this lesson employ instructional practices that allow all students to learn the content of the lesson?
 - Ownership: Are students responsible for doing the thinking in this classroom through the mathematical practices?
 - Every Student: When students are working to overcome gaps in skill or standards, does the lesson address what students need, not what they already know?
 - Improving Every Day: Are students demonstrating their understanding?
5. Feedback and reflective conversations will focus on the tenets of the IPG for Math.

Action 4

Title: EL Redesignation

Action Details:

Wolters will implement a school wide plan to decrease Long-Term English Learners (LTEL's) and increase the number of students moving up a level by providing ongoing support that aligns ELL instruction with State Standards through integrated, designated, and extended learning opportunities. Teachers will use ELA/ELD State Standards to guide instruction in literacy with integrated ELD, Monitoring the implementation of ELA/ELD State Standards, Frameworks, and instruction LTEL's will be targeted for reading intervention opportunities. District EL Coaches will provide support in monitoring student progress in ELD proficiency levels, and will collaborate with admin/teacher teams to accelerate student progress and reclassification.

Step 1: After selecting the metrics, analyzing the current school dashboard and the relevant site data, conduct an analysis and answer the questions below.

1 What were the key factors that contributed to these performance outcomes for each metric.

Goal 2 Participation Rate

85% of students participated in a Goal 2 Engagement

Participated in all elementary sports: football, volleyball, cheer, cross country, basketball, soccer, wrestling, basketball and softball

Grades 4,5 and 6 engaged in music: band, strings and choir

Music in primary grades

Clubs such as drone club and board game club were provided

Peer Mediation and Cross age tutors

Traffic patrol and leadership students

Hoover Cross Age Tutors

Lunch recess sports, activities and arts and crafts were made available to students

2 What were the key factors that contributed to the disproportionality for any significant subgroups.

Goal 2 Participation Rate

2017-18 Engagement with Subgroups:

- African American 86.7% students engaged
- EL 94.7% students engaged
- SPED 60.3% students engaged
- Foster Youth 75%
- Asian 82.9% students engaged
- Hispanic 85.5% students engaged
- White 80% students engaged

All students were provided with opportunities to participate in arts, activity and athletic

Step 2: Share the data and analysis with the School Site Council (SSC), English Learner Advisory Committee (ELAC) and school staff, as required. Record feedback and suggestions from each group below.

1 SSC:

Our 2016-17 Goal 2 Engagement show 85% of our students engaged in arts, activities and athletics. Our goal is to increase engagement by 10%.

Budget Priorities:

- Continue with sports and provide an A and B team option

2 ELAC:

Our 2016-17 Goal 2 Engagement show 85% of our students engaged in arts, activities and athletics. Our goal is to increase engagement by 10%.

Budget Priorities:

- Continue with sports and provide an A and B team option

3 Staff:

Our 2016-17 Goal 2 Engagement show 85% of our students engaged in arts, activities and athletics. Our goal is to increase engagement by 10%.

Budget Priorities:

- Continue funding all the sports

- Increase allocations to fund more classified staff to provide engagement activities during lunch recess
- Have SNAP do more enrichment clubs

Exposure to Careers - 4th Grade	96.923	100
Exposure to Careers - 6th Grade	96.364	100

Needs Assessment

Step 1: After selecting the metrics, analyzing the current school dashboard and the relevant site data, conduct an analysis and answer the questions below.

1 What were the key factors that contributed to these performance outcomes for each metric.

Exposure to Careers - 3rd Grade

All 3rd grade students participated in Bricks 4 Kidz. The contributing factor for having 100% exposure to careers was having the activity happen at school. Students were provided an engaging, hands-on engineering experience.

Exposure to Careers - 4th Grade

All 4th grade students participated in Chef's Academy.

Exposure to Careers - 6th Grade

All 6th grade students were given the opportunity to visit Reedley Community College. The contributing factor for having 96% attendance on the day of the field trip were due to student absences.

2 What were the key factors that contributed to the disproportionality for any significant subgroups.

Exposure to Careers - 3rd Grade

All significant subgroups were represented as a result of having the activity happen on campus.
100% students participated

Exposure to Careers - 4th Grade

All significant subgroups were represented as a result of the district setting up the field trip and providing a bus to take the students out of town.
96.9% students participated

Exposure to Careers - 6th Grade

All significant subgroups were represented as a result of the district setting up the field trip and providing a bus to take the students out of town.
96.4% students participated.

Step 2: Share the data and analysis with the School Site Council (SSC), English Learner Advisory Committee (ELAC) and school staff, as required. Record feedback and suggestions from each group below.

1 SSC:

Our 2017-18 SPSA Goal in Goal 3 is to increase student character and competencies for workplace success to 100% from 97.8%.

2 ELAC:

Our 2017-18 SPSA Goal in Goal 3 is to increase student character and competencies for workplace success to 100% from 97.8%.

3 Staff:

Our 2017-18 SPSA Goal in Goal 3 is to increase student character and competencies for workplace success to 100% from 97.8%.

Budget Priorities:

- Continue to fund Goal 3 field trips and expand into other grade levels
- Allocate additional funds as available to provide visits to other colleges and universities
- Arrange visits to the feeder middle school and high school
- Allocate funds to purchase professional reading literature in support of teaching character and competencies for the workplace success: Leader in Me, The 7 Habits of Happy Kids...
- Allocate funds to purchase materials and supplies to support The 7 Habits of Happy Kids (binders, page protectors, dividers, incentives, posters...)

Action 1

Title: Character and Competencies

[Action Details:](#)

Wolters will continue to implement behavior management plans, CHAMPS/MAC expectations, Second Step, Class Meetings, and Olweus Bullying Prevention to promote social skills, personal responsibility and goal setting to build character and competencies for workplace success. All PK-6 teachers will use the Leader In Me and The 7 Habits of Happy Kids books to promote responsibility, planning ahead, respect for others, teamwork and balance. The goal of these books are to create a common language for students to use with staff and parents as they apply the habits to their development as leaders of their own lives.

Wolters will expose students to a variety of career opportunities through field trips, career speakers, career fairs and research presentations.

Details: Explain the data which will specifically monitor progress toward each indicator target

1. Data for office referrals will be collected and reviewed by the Safe and Civil Schools Team (PURRfect Pride) quarterly.
 - Office Referrals (Levels of Behavior)
 - Office referral rate by teacher analysis.
 - Monthly data collection on suspension.
2. PURRfect Pride Team will conduct classroom walkthroughs focusing on implementation of:
 - Second Step Lessons
 - Class Meetings
 - CHAMPS
 - Leader in Me and The 7 Habits of Happy Kids
3. PURRfect Pride Team will review, analyze and use staff, student and parent surveys to plan professional learning and next steps.
4. Classroom walkthroughs will focus on Tenet 1 of the Instructional Practice Guide for Literacy and Math. School wide data will be collected and shared with staff on a regular basis. Culture of Learning: Is there a culture of learning and high expectations in this classroom?
 - Students complete instructional tasks, volunteer responses and/or ask appropriate questions.
 - Students follow behavioral expectations and directions and execute transitions and procedures efficiently.
 - Students are engaged in the work of the lesson from start to finish; there is a sense of urgency about how time is used.
 - Students and their teacher demonstrate a joy for learning through positive relationships and strong classroom culture.

Describe Direct Instructional Services to students, including materials and supplies required (curriculum and instruction):

1. Positive behavior supports such as WOW Students (student of the week), Wise Wildcats (student of the month) and Weekly Habit drawings will be provided for students who are making positive decisions in becoming a leader.
 - Daily 7 Habits slips will be given to students being caught practicing one or more of the 7 Habits. Drawings will be held weekly to provide students with incentives.
 - WOW Students will be rewarded weekly to students who have made short term goals with the guidelines for success. R.O.A.R. (Respectful, On task, Are becoming college and career ready, Responsible) or practice of the 7 Habits.
 - Wise Wildcats will be rewarded weekly to students who practice the guidelines for success and the 7 Habits of Happy Kids. Wise Wildcats will receive a student of the month picture provided by Larson Brothers. Wise Wildcats will be given a lunch pass that gives them permission to eat at the pavilion or be dismissed from the cafeteria early.
3. All PK-6 grade classrooms will implement:
 - CHAMPS/MAC-expectation posters will be displayed and reviewed (direct instruction, independent work, collaborative work, and transitions)

Chronic Absenteeism	22.872	17.872
Suspensions Per 100	23.404	18.404

Needs Assessment

Step 1: After selecting the metrics, analyzing the current school dashboard and the relevant site data, conduct an analysis and answer the questions below.

1 What were the key factors that contributed to these performance outcomes for each metric.

Chronic Absenteeism

Chronic Absenteeism has dropped due to the following:

- The importance of attendance will be discussed during Title 1 Meeting, Back to School Night, parent coffee hours, SSC, ELAC, and Parent University courses.
- Teachers will communicate daily with parents of students who are absent.
- Parent-Teacher conferences will be held at the end of the first quarter and the importance of attendance on correlation with academic performance will be discussed.
- HSL and office assistant will monitor and communicate with parents of students with manageable and chronic attendance.
- Office assistant will schedule conferences with chronic attendance families and arrange for attendance conferences with parents, home school liaison and administrator. Administration will share the importance of good daily attendance.
- HSL and CWA will reach out to parents through home visits

Suspensions Per 100

Suspensions have decreased due to the following factors:

- Data for office referrals will be collected and reviewed by the Safe and Civil Schools Team (PURRfect Pride) quarterly. Office Referrals (Levels of Behavior) Office referral rate by teacher analysis. Monthly data collection on suspension.
- PURRfect Pride Team will conduct classroom walk throughs will focus on implementation of: Second Step Lessons Class Meetings CHAMPS
- PURRfect Pride Team review, analyze and use staff, student and parent surveys to plan professional learning and next steps.
- Classroom walk throughs will focus on Tenet 1 of the Instructional Practice Guide for Literacy and Math. School wide data will be collected and shared with staff on a regular basis.

ADA Attendance

2 What were the key factors that contributed to the disproportionality for any significant subgroups.

Chronic Absenteeism

According to CORE District Metrics Chronic Absenteeism for 2016-17 shows the following:

Current school-wide chronically absent percentage is 15.4%.

In 2016-17 Chronic Absenteeism is at 19.7% a decrease of 4.3%.

Of those 23% the following racial/ethnic subgroups had the highest number of absences:

- African American: 18.8% Chronically Absent
- Asian: 5.7%
- Hispanic/Latino: 17.8% Chronically Absent
- White: 5.4% Chronically Absent
- Students with Disabilities/SPED: 25.8%
- Foster Students: 31.8%
- EL Students: 8.4%

Foster Students, Students with Disabilities/SPED and African American Students are the most chronically absent.

Suspensions Per 100

Suspensions Per 100 is currently 18.53%

In 2016-17 Suspensions Per 100 is 24.32% a decrease of 5.79%.

- African American: 27.6%
- Asian: 0%
- Hispanic/Latino: 16.10%
- White: 19.32%
- Students with Disabilities/SPED: 48.72%
- Foster Students: 0%

ADA Attendance has increased due to the following factors:

- School wide Perfect Attendance class incentives
- Monthly Perfect Attendance bike drawings provided by the Fresno Exchange Club
- HSL, CWA and DA work together to address truant and chronic attendance
- Continued discussion of the importance of attendance during parent coffee hours, SSC, ELAC, parent conference and daily attendance phone calls.

- EL Students: 5.68%

All subgroups except for African American students dropped in suspension rates from 2016-17 to 2017-18. Students with Disabilities/SPED and African American Students have the highest Suspensions Per 100.

According to CORE District Metrics suspension rates for 2016-17:

- African American: 8.8% (significant)
- Hispanic/Latino: 9.7% (significant)
- White: 9.1% (significant)
- Two or more races: 10% (significant)
- Students with Disabilities/SPED: 19.1% (significant)
- Foster Students: 21.7 (significant)
- Socio-Economically Disadvantaged: 9% (significant)

ADA Attendance

ADA Attendance Rate is currently 94.65% in 2017-18

In 2016-17 ADA Attendance Rate is 93.93% an increase of approximately 1%

- African American: 93.18%
- Asian: 96.6%
- Hispanic/Latino: 94.67%
- White: 95.86%
- Students with Disabilities: 92.79%
- Foster Students: 97.37%
- EL student: 96.97%

Foster, EL and Asian Students have the highest ADA Attendance rate. Students with Disabilities/SPED and African American Students have the lowest ADA Attendance rate.
